The lecture lasts approximately 2 hours including a break.
- Speaker:** John Wyatt ornithologist/zoologist
Research Volunteer for the Egypt Exploration Society, London and the Griffith Institute, Oxford
- Location:** The Nottingham Mechanics, 3 North Sherwood Street,
Nottingham, NG1 4EZ
- Admission:** Free to Members, Day-Visitor £5 on the door.
- Requirements:** No previous knowledge required, our group is aimed at everyone with a love of ancient Egypt.
- Topic:** Herodotus on Ancient Egyptian Wildlife – Fact or Fiction?

Herodotus, the great Greek Historian, has been conflictingly described as both The Father of History and The Father of Lies.

By examining his statements on Ancient Egypt's wildlife in Book II: Euterpe of his Histories, this talk attempts to separate the fact from the fiction and to come to a conclusion which may be relevant to all his work.
