Greetings Sir or Ma'am:

The San Jacinto County Outreach Committee is preparing for its 12th annual Thanksgiving Community Feast. Each year this event has been a remarkable success because of the local churches, businesses, and families working together, eating together, and meeting the needs of our community together.

Each year, every attendee is able to fellowship with community members, while eating a hot meal. At the conclusion, each family receives a turkey dinner bag, which includes a frozen turkey and all of the fixings needed to prepare a Thanksgiving meal. This would not be possible without the help of our community leaders much like yourself. Therefore, we are reaching out to see if you would like to partner with us for our 2022 Thanksgiving community feast.

Last year, with the help of other local churches, organizations, and businesses; we were able to feed over 1000 people and gave out turkey dinner bags to more than 300 families. To ensure this event continues to be a success, we are going to need your help once again preparing:
