

JDR Karting – Junior Track Indemnity Form

Please fill out using **BLOCK CAPITALS**

I understand that motorsport can be potentially dangerous and I am prepared to allow the children listed below to participate at their own risk. I agree to take responsibility for their safety when they are not driving the karts. I understand that an instructor will brief the children what to do and it is essential that the children remain seated with both hands on the steering wheel and both feet safely in the footwells of the karts. Children must not get out of the karts until all karts have stopped and the instructor tells them to do so. All other children must be kept safely behind the spectating barriers. Karting is a non-contact sport and no bumping is allowed. Please let us know if any driver has a medical condition which could affect them taking part. Please ensure no driver is wearing a scarf.

I hereby release JDR Karting Ltd and its associates from liability for any injury caused by not following the safety rules outlined here.
