

Virgie Cortez My name is Virgie Cortez. I'm originally from Stockton and have been living in Selma for 27 years now with my husband of 41 years, Steve Cortez. We have 3 children and 8 grandchildren. I love cleaning and have worked as custodian at First Christian Church for 20 years. I take life one day at a time. Most of all I love my most precious Father in heaven, who guides me and shows me the way.
