

Oxbow Lake Homeowner's Association Board Meeting Minutes SEPTEMBER 14, 2015

Boating: Matt Sprader

More boats were out this year. Looked into a Lake Company to spray sections of heavy weeds. Swimming Restriction is NOT for 2 days after spraying. Looked into purchase of a Weed Harvester, Township already sold it, however, to use this it just cuts the weeds to spread. Will give access to the lake at his Bar "Spraders on the Lake" 10070 Elizabeth Lake Road (248) 698-4800. As long as your yearly homeowner's dues are paid.

Lake Water Quality: Rick Walklet

13-14.5 Clarity improving Last year was less rain.
PURPLE LOOSESTRIFE Real pretty **TALL PURPLE** flowers but real **INVASIVE PLANTS**
It takes 2 year process to knock out. Please e-mail Rick for help to eliminate these.
RIZON Are 12-15' **TALL COMMON REED** these take over the banks.
CATTAILS Are 15' or higher Hot Dog Chips and are very good for the environment lakes.
