

Looking for Experienced Youth Soccer Players

Kingdom Alive Soccer Association - KASA

Who or What is KASA?

We are a faith-based non-profit organization providing opportunities for Marion area youth to play competitive soccer (*travel soccer*). We play in a league based in Columbus, the Mid-Ohio Select Soccer League (MOSSL). KASA sponsors separate boys and girls teams in various age brackets. If your daughter or son was born anywhere from 2003 to 2009, KASA may have a travel team for her/his age. (Actual teams formed will depend on the number of potential players in the various age brackets.)

General Information

1. Players are expected to make all practices and games. There can be exceptions – but we are preparing these young men and women to play at higher levels and it does take higher levels of commitment, motivation and effort to play in these leagues.
2. There are two – three trained, experienced coaches dedicated to each team.
3. Fees per player are charged to cover costs such as: MOSSL registration; referees; equipment; uniforms; field maintenance – to name several.
4. The regular season is made up of four home games (currently played at Marion Christian Center and Harding High School), and four away games played in Columbus and the Central Ohio area. Games are Saturdays, Sunday afternoons, maybe an occasional weeknight; they start late-August/early-September and run through October. There is a season-end tournament in Hilliard. There are other optional tournaments that may be considered.
5. Practices begin four or more weeks before games start. Typically, there are three practices per week (Monday, Tuesday and Thursday – sometimes Saturdays before games start).

Fall teams are forming now. Training begins in July. For tryout/evaluation info or general questions, contact: Jeff McGuire, 614-975-6763 (call or text) or by email at jeff.c.mcguire@gmail.com.

✓ KASA is also looking for experienced coaches and trainers. Interested? _____ Y/N

Option: You can provide the info below and scan and email it back to me (Jeff).
