Statement of Patient Financial Responsibility

Our office appreciates the confidence you have shown in choosing us to provide for your healthcare needs. The services you have elected to participate in imply a financial responsibility on your part. The responsibility obligates you to ensure payment in full of our fees. As a courtesy, we will bill your insurance carrier/s on your behalf. However, you are ultimately responsible for payment in full of your bill.

Many insurance companies have additional stipulations that may affect your coverage. It is ultimately your responsibility to know your coverage and benefits. You authorize Todd J. Maltese, DO, PC, to furnish information to insurance carriers concerning your care. You are responsible for any amounts not covered by your insurance. If your insurance carrier denies any part of your claim, or if you elect to continue services past your coverage/policy period, you will be responsible for your balance in full. It is also your responsibility to obtain referrals or authorizations required by the insurance carrier in order to be seen at our practice. Full payment for services provided is due at the time of services rendered, otherwise late fees or administrative fees may be charged.

You are responsible for payment of any deductible and copayment/coinsurance as determined by your contract with your insurance carrier. We expect these payments at the time of service. Some health insurance carriers require the patient to pay a co-pay for services rendered, and this is a contract between you and your insurance carrier.

"I understand that I am responsible for copayments and deductible/coinsurance as dictated by my insurance carrier."

Initial: _____

*"I fully understand that I am ultimately responsible for any and all charges associated with my account and that if I fail to pay any amount due, **I will also be responsible for additional collection fees of 30% and any other charges incurred in the collection of any balance due that is placed for collection.**"*

Initial: _____

Co-Pay/Cancellation/No-Show Policy

All copayments and/or outstanding balances are due IN FULL at the time of your visit, or you might not be able to be seen. If you do not pay your copay at the time of your visit, there will be a \$15 administrative fee added onto your bill.

We appreciate 24-hour advanced notice for cancellations. **If you do not provide notice of cancellation prior to your scheduled visit, you will be charged \$25 for an office visit or \$100 for a testing visit.**

Initial: _____

Late Fees/Returned Check Fees

If you have a balance and a statement is generated, you will have 30 days to arrange payment with our office. If no payment is made within 30 days, a \$5 late charge will be added each month until a payment is made (\$5 for the first month, \$10 for the second month, and \$15 for the third month). If no payment is arranged with our office by the fourth month, your balance will be referred to a collections agency and you will incur additional fees as outlined above under "Statement of Patient Financial Responsibility."

If a check is returned for insufficient funds, you will be charged an additional fee of \$25 for the returned check.

Initial: _____

"I have read the above policy regarding my financial responsibility to Todd J. Maltese, DO, PC, for providing medical services to me or the above-named patient. I certify that the information is, to the best of my knowledge, true and accurate. I authorize my insurer to pay any benefits directly to Todd J. Maltese, DO, PC. I understand that any amount remaining after such payment has been made by my insurance carrier becomes my responsibility (or the guarantor's if the patient is a minor)."
