Direct Deposits can only be made to US Banking Institutions. If you do not have a US Bank Account please complete a wire transfer form.

Before deposits can be initiated the account must be verified. It takes up to 3 business days for the account to verify.

Direct Deposits post to recipients accounts 24-48 hours (business days) upon completion of the tournament. If the tournament ends on a Thursday or Friday, deposits should be present the following Monday or Tuesday. Banking holidays will result in delays in transfers.

Please confirm the information you have provided is correct. Nearly 100% of all delays is due to errors in account information which result in the deposit being returned to the tour.
