

## Justifying the Unjustifiable

LTS: Listen to The Scriptures - Your Weekly Inspiration based on The Word of God

**Matthew 22:21. Give back to Caesar what is Caesar's and to God what is God's.**

**1 Peter 5:8. Be alert and of sober mind. Your enemy the devil prowls around like a roaring lion looking for someone to devour.**

Give to Caesar what is Caesar's. But does what is Caesar's have limits? In biblical times Caesar was the government, the state, civil law. The law of the land. Moses Law was the law of the Spirit. The Law of God. Today, so much of the law of the land seems to conflict with the Law of God.

Today, the Caesars, politicians and lawyers who write the laws in our world have become skilled at *Justifying the Unjustifiable*. Killing unborn children is legal in many places. Euthanasia of seniors is becoming more and more widely practiced covertly, or in more and more places, overtly and legal. Same Sex marriages. Transgender restrooms. Sex without marriage. All legal evils.

Most states in the USA hold elections this coming Tuesday, November 7th. Take the first step to stop them from *Justifying the Unjustifiable*. Vote for candidates who will uphold our right to practice the Law of God. Candidates who will draw the line at further erosion of our right to Religious Freedom. Our Constitution guarantees Religious Freedom, not that we will be *free from religion* as so many politicians today try to justify under the pretext of "*political correctness*".

Time to Unelect them! If you don't live in an area holding elections this week, or if you live outside the USA, you can still take the next opportunity to speak out for, *and vote for, God and Good*.

In today's **War of Good vs. Evil** there is no such thing as being neutral. If you are not for God and Good and do not uphold the Law of God, then whether you are willing to admit it or not you are supporting Satan and Evil. When you die you go to Heaven or Hell. There is no third option. You followed the Law of God or did not. Political correctness is not a substitute for God's Law.

**Let's stop our leaders from *Justifying the Unjustifiable*. Get out and Vote for God. God Bless!**

*Lord, the road before me splits into several paths and each path has many twists and turns and is strewn with potholes and pitfalls. At every step there are temptations to test the Faith of even the strongest of Your Followers. Please send the Holy Spirit to bless me with the Wisdom to choose the Path of Righteousness, to avoid the many pitfalls, and resist all the temptations. I know that when I put my Faith in You Dear Lord that You will not fail me. Please let my Faith and the Wisdom of the Holy Spirit guide my feet on my Life's Journey so that I may follow in Your Footsteps and lead those that I dearly love along the true Path of Salvation. Amen.*
