**Quotes:**

“These times are stressful enough for our students, financial burdens are one thing we can help reduce. He is a very bright individual who works hard to complete his tasks and excels under pressure. He deserves your highest consideration for this award.” **Joe Woods** - CEO

“I am extremely grateful to have received my second award from the Anchor Scholarship Foundation. It's an honor to be a part of the surface warfare community and to have such a great organization backing me, especially during these particularly difficult financial times.” **Calvin**
