

Music Teachers Networking Meeting

Tuesday, April 16 9:00-2:30 \$50 5 PDC's

Bethel United Methodist Church in Shannon

Join your colleagues for a day of networking!

You'll share resources, ideas, strategies, student samples and much more as we discuss the successes and challenges you face teaching the curriculum in your subject area. This change of location can allow for you to share music/programs, etc. to read/sing/play so bring your instrument and join the very first ROE 8 band! There are screens we can use if you have videos to share. We begin each meeting by building the agenda with topics you wish to discuss. Bring your device and any questions you have for the group. Lunch is provided and we look forward to great day together.
