## Dr. Bert McCarty

Bert McCarty is a Professor of Turfgrass Science and Management at Clemson University in Clemson, South Carolina. McCarty was born and raised in Batesburg, SC and attended Clemson University and North Carolina State University, attaining a PhD in Plant Physiology and Plant Pathology. He currently authors or co-authors fifteen books, including the latest turf text, *Golf Turf Management* and *Common Weeds and Wildflowers*, is a co-author for two GCSAA seminars, and is active in a number of professional societies. He has chaired 26 graduate students and been a committee member for 19 more. He currently chairs 4 PhD candidates and 2 MS students. He also teaches the course, *Advanced Turfgrass Management*, and is coordinating author of Clemson University's *Annual Pest Control Recommendation Guide for Professional Turfgrass Managers*. In 2012, he won the prestigious Godley-Snell Award for Excellence which is given to the top agriculture researcher at Clemson University and in 2010 and 2013. He is a recipient of the *Fred V. Grau Turfgrass Science Award* through the Crop Science Society of America as the top national and international turfgrass science researcher and is a *Societal Fellow* for CSSA as well as the American Society of Agronomy (ASA), the highest recognition by the societies. He received the Distinguish Service Award from the Carolinas Golf Course Superintendent's Association in 2018. His research focuses on weed management, PGR use, and environmental stress physiology issues affecting turfgrass managers. .
