## **Commitment to privacy**

The CHOICE study is committed to providing access to information online in a manner that respects and protects your privacy. This statement describes our information collecting practices and explains how we use and protect your personal information.

## **What we collect and why:**

We collect personally identifiable information that you provide voluntarily. This includes contact information that allows us to respond to your questions, and any personal and/or medical information you provide in those emails. This information will be used to determine eligibility for the CHOICE Study and to answer any questions you may have about the study as it applies to you.

## **Security:**

The CHOICE Study is committed to ensuring the security of your information. We have put in place reasonable physical, technical, and administrative safeguards designed to prevent unauthorized access to, or use of, the information collected online.

## **Changes to this statement:**

We reserve the right to modify this privacy statement at any time and will post the changes on this website.
