New Make-Up Policy

We are happy to announce that all swimmers will be permitted one make-up class for Fall, Winter and Spring sessions.

- Make-up classes are not guaranteed, they are on a first come first serve basis.
- Make-ups will be held at the Gaithersburg location on Saturdays and Sundays, week 2 through week 9 of each session.
- There are no make-up classes during week 1 or the last week of the session.
- Only 2 participants will be allowed to make-up per class.
- Failure to show up for a scheduled make-up class will still be considered a make-up class.
- Please email a request and we will do our best to accommodate all students.
- Make-up classes are only for students presently enrolled in the current session.
- We reserve the right to cancel our make-up policy at any time.
- Make-up classes do not carry over to future sessions.
- No make-up classes for Summer classes.

Thank you
