

The Steele's

Missionaries to the Local Churches of America

March 2018

Dear Pastor and Church Family,

Prayer Requests

Please continue to pray for a truck to pull our travel trailer. We are looking for at least a 3/4 ton.

Pray for good health and safety while we travel.

Pray that others will catch our burden for America as we present our ministry.

Pray that we will be able to get the rest of our support raised by the end of this year.

*For with God nothing shall be impossible.
Luke 1:37*

After ten months on the road, we have finally returned to our great state of Texas! God is so good! His blessings are innumerable! **“O taste and see that the Lord is good: blessed is the man that trusteth in him.” Psalm 34:8** Life is amazing when we just put our trust in God! He supplies all of our needs and when we are faithful He even gives us the desires of our heart.

As some of you know, Ginger’s mom fell and broke her hip at the end of January. We were only a few states away, so I was able to bring Ginger back to Texas to be with her; as I went back east to finish the meetings we had scheduled. We want to thank all of you who prayed for her. We are confident that prayer makes a difference! She went through a partial hip replacement and went home the next day. She did not have any pain from the surgery, and has resumed most of her regular activities. Her doctor is amazed. Praise the Lord! We serve an amazing God!

We are continuing fervently on the deputation trail. Since our last update we have driven over six thousand miles, and presented our ministry in seven states: Alabama, Mississippi, Ohio, Illinois, Iowa, Texas and Arkansas. We have met many wonderful pastors and fellow servants of the Lord. We are so thankful for those that have provided a place for us to stay and for all the wonderful meals that have been furnished for us. We are thankful for the encouragement that we have received and hope that we have been an encouragement and blessing to those churches and pastors we have met. **We are very excited about the progress in our support level. Since January we have had five more churches partner with us. Praise the Lord!**

Coming up next month we will be attending three missions conferences, a revival, and a camp meeting. We also have several other meetings in Texas. We are excited to see what God will do in and through us in the upcoming weeks!
