Multi Discipline Reviewer/Inspector

Are you looking for a challenging role within an organization that provides an interesting work environment and rewarding compensation? If so, Lake County Government is the place for you. Comprised of nearly 3,000 employees, it is our goal to positively serve the residents of Lake County while working with a purpose. We believe our employees should take pride in the work they accomplish while truly respecting a collaborative work environment. Do you have a background in inspection and plan review for both residential and commercial construction? If so, this position could very well be for you.

Position: Building Inspector/Plan Reviewer

Location: Libertyville, IL

Salary: \$52,795 - \$60,275

Job Summary: Responsible for performing plan review and Inspection work covering a full range of residential and commercial construction. The inspector is responsible for analyzing detailed information, and reporting findings of investigations and inspections. Experience with all types of building systems, ICC building codes, applicable regulations, and understanding plans and specifications is preferred.

Becoming a plan reviewer/building inspector would allow you to be involved with property development within Lake County, ranging from new residential homes and remodeling to all types of non-residential projects. Your day will consist of working with your department peers and county residents on their development projects, in addition to working in county communities through our intergovernmental agreements. You will have endless opportunities to impact and make a difference within Lake County. Being able to build working relationships with employees, 30 countywide departments and the public, is sure to keep you interested and continuously learning.

In order to be successful in this role you should have 4-6 years of experience and/or International Code Council certifications as a plan reviewer and/or building inspector, or the ability and willingness to obtain certifications, demonstrate a strong proficiency in the use of technology; possess the ability to effectively problem solve and have the ability to work both individually and in a team atmosphere.

We offer a professional, team-oriented work environment and a comprehensive training program. Visit our Prospective Employee page to get additional information on why you should work for Lake County!
