

BROWARD DJJ/JAC HTST STATS

03/2015 to 03/2019

Since the kickoff of the HTST in 03/2015 through 3/31/2019 (4 years of compiled data):

1,845 Human Trafficking Screening Tools have been completed in Broward County by JAC/DJJ

- Male youth (720)
- Female youth (1,125)

Since the kickoff of the HTST in 03/2015 through 3/31/2019 (4 years of compiled data):

- 899 (49% of total screenings) calls were made to the Florida Abuse hotline based on findings of Not Sure, Likely Is or Definitely Is OR as prompted by HTST risk factors
- 523 (58% up from high of 46% during 2018) of those calls were accepted by the Florida Abuse hotline, which is 28% (22% high for 2018) of the total youth screened with HTST. Previous years stats provided were 12% to 18% of youth screened.

Positive Trends over 4 years of DJJ Broward administering HTST

Increased number (%)
of HTSTs being
completed with male
youth
