

A Brief Guide to eScrip

eScrip is a wonderful way to contribute to up to three of your favorite organizations (such as Murphys Volunteer Library!) every time you shop with a SaveMart or Sierra Hills Community Card. But did you know eScrip offers more ways to contribute? Check out these options:

1. **The eScrip Online Mall.** You do not need to be signed up for a Community Card to use the Online Mall - just sign up for your FREE eScrip account and log in at escrip.com. Then look for the button in the upper right to “Shop Online.” This link will take you to the eScrip Online Mall (shopping.escrip.com), where you can purchase from dozens of popular companies; and each purchase will give some amount to your chosen organizations (like Murphys Volunteer Library).
2. **The Benefit App.** Install this app on your mobile device to purchase gift cards for many of the same retailers available at the Online Mall. You can also send gift cards as, you know, gifts. Again, each purchase generates a small donation for your selected beneficiary (i.e. Murphys Volunteer Library). This app will prompt you to link a checking or credit card account for payment.
3. **eScrip Dining.** From your account at escrip.com, click the link for “Where to Earn”; scroll down to find the link for Dining (escrip.rewardsnetwork.com). From here you can search for participating restaurants by name, or location (city/state/zip). To use eScrip Dining, you do need to register a credit or debit card (Visa, Mastercard, American Express, or Discover) to your account. Although there are only a couple restaurants listed as participating within 25 miles of Murphys, eScrip Dining is a great option for people who travel.

Thank you for supporting your library!
