Sunday, November 7, 2021

- 8:00a - 10:00 **Lancette VanGuilder, RDH, BS “Dental Therapy: The What, Who and How” 2CEU’s**
As data emerges about the oral health crisis in our nation and need for improved access to dental care, it has become evident that the current dental delivery system may not be meeting the needs of the public. This course will look at the emergence of dental therapy in the United States and provide an in-depth discussion on what dental therapy is and the education, scope of practice and licensure. This model of care is also considered as an advancement in the career ladder for the dental hygienist
- 10:00 - 10:15 **Break**
- 10:15 - 10:45 **Lisa Forbes, RDH, BS “Colgate Professional Direct”** Explanation of Colgate’s newest method of product recommendations.
- 10:45 - 11:45 **Lancette VanGuilder, RDH, BS “Armed and Ready for the Future: Vaccinations and the Role of the Dental Hygienist” 1CEU**
As the healthcare landscape evolves, more emphasis has been placed on improved access to care, inter-professional collaboration and public health. Dental hygienists may be poised to play a new and innovative role in the healthcare delivery system. Most recently, the COVID-19 pandemic shed light on the need for workforce readiness, disease prevention and COVID vaccines in a state of emergency. But, could we be at a tipping point for new groundbreaking options for the dental hygienist in the administration of all vaccines?
- 11:45a - 12:45p **UH Manoa Virtual Student Table Clinic Presentations 1CEU**
Enjoy current research topics presented in video format by UH Manoa dental hygiene students.
- 12:45 - 2:15 Eat lunch while watching the **HDHA Annual Business Meeting, Elections of new HDHA Board of Trustees with Member and Student Award Presentations**
- 2:15 - 4:15 **Gayle Chang, RDH “Ethics for the Dental Hygienist” 2CEU**
Dental Hygienists are faced with ethical decisions every day that involve “doing what is right.” We make decisions that involve clinical findings, accurate assessments, treatment planning, and product recommendation, not to mention patient and staff interactions. This course will explore real life ethical dilemmas hygienists may face and recommend activities that enhance the public’s trust of our profession.
- 4:15 **Close of Session/Announcements**
- 4:15 - 5:30 **THE meeting after the meeting-Post Annual Session Board of Trustees Meeting**
All members are welcome, come and network with your newly elected board of trustees.

About the Speakers

Lancette VanGuilder, RDH, BS graduated from the University of South Dakota in 1995 and has spent the last 25 years actively involved in dental hygiene leadership, education and advocacy on the local, state and national level. Lancette resides in Reno, Nevada and is a past president of the Nevada Dental Hygienists Association and has served 4 years on the board of directors for the American Dental Hygienists Association having been honored at the national level for her contributions to advancing the art and science of the dental hygiene profession over the last 15 years. Most recently, she has published articles in Dentistry IQ regarding mobile dentistry during a pandemic and the administration of vaccines by dental hygienists. She works as a clinician in private practice, owns/operates her own mobile dentistry business, has an AGD PACE Approved national CE company (Hygienist for Health) and volunteers as a registered lobbyist for nonprofit work.

Gayle Chang, RDH, BEd graduated from Northwestern University in 1975 and has been involved in all aspects of association leadership. She is a past President and the current Treasurer of HDHA. Gayle is currently the practice manager of an Oahu dental practice, and is an entrepreneur with a consulting business focusing on OSHA and infection control training for dental offices. She has worked as a sales territory manager for Butler GUM, taught dental assisting at KCC as well as, spending 8 years as a dental hygiene member on the Hawaii Board of Dentistry. Her many roles within the dental field make her the perfect person to highlight the ethical requirements hygienists must uphold in all practice settings.
