- 18 General Meeting- 7pm
Junior Meeting 7pm
- 22 Funshoot 9am
- 30 Family Picnic

From the President's Desk:

What a crazy ride it has been. With York County going green as of June 12, we will be resuming normal operations!

- We will have an open meeting on the 16th!
- The election of officers is still in July, with final nominations accepted from the floor this month. Or you can reach out to me anytime if you are interested in serving.
- We are accepting membership applications and orientations as normal.
- Monday nite trap to start June 22nd
- Most other matches for June are on.

On another note: Just a reminder, since the stream is stocked with state supplied fish, the public may fish it. They cannot, however, fish the pond, or park on the property. If you see someone abusing the privilege, please feel free to educate them politely.

-Gary Swope

CLUB NEWS

2020 CLUB ELECTION - York County is in "phase green" on June 12! During the June membership meeting, final nominations for this year's elections will be accepted from the floor, and then nominations will close. Elections are currently scheduled for the July Membership meeting. WE STILL HAVE SEVERAL OPEN POSITIONS as annual officers or three-year term Directors to fill out our Board of 20. Please reach out to me with any questions. Gary

MEMORIAL SERVICE - On July 21st at 6:30pm right before the open meeting we will be having a memorial service to honor those members who have passed in 2019.

SNAPPING TURTLES - With snapping turtle season fast approaching, we are looking for someone to fish them out of Lake Tonian. All Pa game commission regs apply. If interested, please contact me. Thanks Gary

ORIENTATIONS - Orientations, where we tour the grounds and discuss rules and features of the club are mandatory for prospective members, and interesting for existing members. The next three will be Sunday, July 5th, Saturday, August 1, and Sunday September 6th. All of these are at 2:00 pm. Everyone is welcome to attend. We meet in the upper floor of the clubhouse.

TROUT COMMITTEE

Thanks to York County entering the Yellow phase, we were able to get the crew of less than 25 together for our final stocking of the season. It was a grand success! We put out around 2500 fish in the South and East branches and stocked the club heavily for the kids only fishing weekend held on the 30th and 31st of May. We started the annual clean out on the 7th of June, and now are entering the maintenance phase for the summer.

I cannot thank the crew this year enough, it has been difficult to care and stock, while maintaining family group limitations. The pressure on the local streams was huge, and fisherfolks got frustrated as streams were fished out early. This burden was felt by all the local co-ops, and I believe IWLA 67 was a shining star. Thank you all so very much.

MEMBERSHIP COMMITTEE

Hello from Membership!

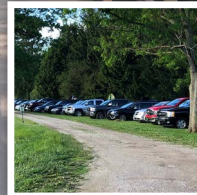

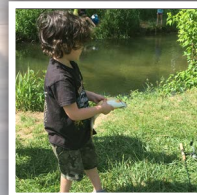

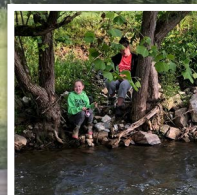

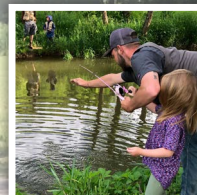

I also want to make everyone aware that while we cannot renew our memberships online, there are several things you can do to help me out. If you go to the National website, www.iwla.org, there is a tab titled Member Center. When you click on it, there are links where you can update your address, your phone number or add your email. The York Chapter does not currently share your email address with Nationals, so if that is something you are interested in, please update the information with them. Please also drop Gary or me a note on email changes, because we do use them at the Chapter level. You can also request a replacement card if you lost yours and request a copy of a magazine if yours did not arrive.

And one last note, please contact me if you know a member who has passed so we are able to keep our membership correct. — Lisa

KID'S FISHING WEEKEND

The trout group arranged a kid's fishing weekend on May 30th and 31st.

We closed the stream to all but fisherfolk 15 years and under, by permit, and stocked heavily. We spread the word through the website and Facebook. Here are a few pics from Saturday morning. It is reported that the fish were elusive....
