

Guidelines for poster presentation in Cytocon

1. All presentations shall be in English.
2. The space and boards for putting up the posters shall be made available to the candidates by the organisers of the conference.
3. The candidate shall come well equipped for putting up the poster.
4. One candidate shall be permitted the use of only one display board.
5. The display board provided can accommodate a poster up to 100 cms in length and 75cms in width.
6. The contents of poster for case report and case series should be under the following headings : Introduction, Objectives, Case report and Conclusion. A brief discussion may be included.
7. The contents of poster for original study should be under the following headings: Introduction, Objectives, Method, Results and Conclusion. A brief discussion may be included.
8. Title of poster and name of the author(s) along with department and Institution of the presenting author shall be detailed at the top of the poster. The name of the presenting author shall be underlined.
9. Disclosure of conflict of interest shall be made : For full transparency, any commercial affiliation or conflict of interest shall be declared and identified just below the title, name and affiliation by each presenter.
10. The font selected for the title should be larger than that for rest of the text.
11. Please choose a font which is easily read even from some distance.
12. A diagram/ illustration can speak more than many words and may be of help in communicating your message in a concise manner.
13. All presenters shall prepare a 3 minute summary of their poster highlighting the salient points.
14. The date and time for affixing, discussion and removal of posters shall be appropriately communicated to the participants by Organising Secretary of Cytocon at least one month before the conference.
15. Posters shall remain displayed at the designated time and place. The presenting author shall be present during the poster session for any discussion and also during evaluation by the judges.
16. If the candidate is not present during the time his/her poster is being evaluated by the judges, the said poster shall not be considered for the award.
17. Winners shall be awarded during the valedictory function.
