## Rules and Guidelines

### Covid-19 Stage 2 Guidelines

- 1) **ADMISSION-** Each team is allowed 5 fans, 3 coaches, and 1 scorekeeper into each game along with all players. Teams and fans should show up no earlier than 15 minutes before start time as no entrance will be allowed until after proper sanitization in between games. In order to enter, everyone must be properly wearing a face covering and have their tournament bracelet with them. Bracelets are pre-paid (\$10 per) and must be collected at the site of the teams first game. Teams and fans must promptly exit once the game has ended through the designated exit route as to allow for the start of sanitization.
- 2) **MASKS-** Face coverings are required to be properly worn (covering mouth and nose) at all time when inside of the facility. The only exception made is for officials and players who are actively playing on the court during warmup or normal game play, though players can wear masks while playing if they want. No exceptions will be made. Failure to comply with the rules by players, coaches, or fans will result in an automatic forfeit of the game. We retain the right to refuse anyone from coming into our facilities.
- 3) **SAFETY-** Sanitization stations with extra masks and hand sanitizer will be set up at every gym entrance as well as scores table. Players should sanitize whenever entering or exiting the game. Prior to the start of every new game, benches, scores table, gate table, sanitization table, and fan seating will be disinfected by staff along with any other commonly touched surfaces. Most importantly- if you have had close contact or are experiencing symptoms (temperature 100.4 or higher, cough, loss of taste or smell, etc) please stay home and follow CDC guidelines.
