

Our Mission

“Come to Me, all who are weary and heavy-laden, and I will give you rest” Matthew 11:28

Rest - Often individuals ask us if our program at TLC works or what our success rate is. There are no hard and fast statistics or percentages rating our success. The answer to whether the program works is “yes”. We don’t always see the exact results we think we would like but we see men that choose to turn from the direction they were going. “Repent” brings the connotation of sorrow or regret over actions and change of mind and altering the course of our heart. We believe we see that with all our residents in varying degrees. We teach Jesus crucified, dead, buried, and resurrected to be the only answer to the life of addiction and sin. The men get that and a environment free from pressures of addiction for the time they are with us. We provide “rest”. We believe we are sowing seeds. Some seeds we see sprout and yield a full harvest and others just start to bloom while yet others may appear dormant for a time. Its not always easy but we stand upon these words: **“...so will My word be which goes forth from My mouth; It will not return to me empty, without accomplishing what I desire, and without succeeding in the matter for which I sent it.”** Isaiah 55:11
