# LAWYERS IN THE CLASSROOM

March, 2018

To Members of the Bar,

The Louisiana Center for Law and Civic Education (LCLCE) is partnering with the Louisiana State Bar Association and the Louisiana District Judges Association to promote the Lawyers in the Classroom and Judges in the Classroom programs.

Our goal is to compile a pool of volunteer professionals from the legal community who are willing to go into classrooms and present on law related topics. Students will benefit from having members of the legal community share their practical and real world experiences.

The Lawyers in the Classroom and Judges in the Classroom programs have materials available on a wide variety of topics in the area of civics and law related instruction, appropriate for elementary, middle and high school levels. Contact the LCLCE for an illustrative listing of the many topics/lessons that may be used to assist in classroom presentations and are available to judges and attorneys upon request.

If you would like to volunteer to participate in the Lawyers in the Classroom and Judges in the Classroom programs, please complete and return the attached form. The LCLCE will attempt to match your schedule with a classroom in your area that has requested a presentation.

If you have any questions, please utilize the contact information found on the enrollment form. We look forward to hearing from you.
