

# Visual Merchandising

## Think.Create.Experience.

Core Partnership has partnered with VGS to bring you the latest technology in menu boards, POP signage, system development and fabrication.

VGS offers unique technologies, not just variations on a theme with different colors and finishes, but totally different ways to meet your needs.

## Offerings

- Interior and exterior signage
- Digital signage, ADA/code signage, large format printing
- Menu boards, design/wayfinding services, direct imaging, vehicle graphics

## Benefits

- National sales support
- Custom product offerings based on your scope of project
- 15% discount on product offerings
