

What our classroom looks like now

What our classroom will look like next year

Happy Fall!

Hello!

We are enjoying this challenging and exciting time preparing for cross-cultural ministry. Some of the highlights so far:

- Our Spanish-speaking church (and the humor and struggle of building relationships across a language barrier)
- Our second anniversary is this month!
- Amazing classes: Culture Intro, Love and Respect, New Testament Church Principles, and Biblical Parenting

Please Pray for:

- Openness to see and respond to areas needing growth in our lives
- Clear direction for future ministry & contentment until things are clear
