REQUIRED INFORMATION

The following information is required prior to a child attending a Maryland State Department of Education licensed, registered or approved child care or nursery school:

- **A physical examination** by a physician or certified nurse practitioner completed no more than twelve months prior to attending child care. A Physical Examination form designated by the Maryland State Department of Education and the Department of Health and Mental Hygiene shall be used to meet this requirement (See COMAR 13A.15.03.02, 13A.16.03.02 and 13A.17.03.02).
- **Evidence of immunizations.** A Maryland Immunization Certification form for newly enrolling children may be obtained from the local health department or from school personnel. The immunization certification form (DHMH 896) or a printed or a computer generated immunization record form and the required immunizations must be completed before a child may attend. This form can be found at: http://ideha.dhmh.maryland.gov/IMMUN/pdf/896_form.pdf

This form can be found at: <http://apps.fcps.org/dept/health/MarylandDHMHBloodLeadTestingCertificateDHMH4620.pdf>

EXEMPTIONS

Exemptions from a physical examination, immunizations and Blood-Lead testing are permitted if the family has an objection based on their religious beliefs and practices. The Blood-Lead certificate must be signed by a Health Care Practitioner stating a questionnaire was done.

Children may also be exempted from immunization requirements if a physician, nurse practitioner or health department official certifies that there is a medical reason for the child not to receive a vaccine.

The health information on this form will be available only to those health and child care provider or child care personnel who have a legitimate care responsibility for your child.

CHILDREN WHO ARE REQUIRED TO RECEIVE LEAD TESTING

Under Maryland law, children who reside, or have ever resided, in any of the at-risk zip codes listed below must receive a blood lead test at 12 months and 24 months of age. Two tests are required if the 1st test was done prior to 24 months of age.

If a child is enrolled in child care during the period between the 1st and 2nd tests, his/her parents are required to provide evidence from their health care provider that the child received a second test after the 24 month well child visit. If the 1st test is done after 24 months of age, one test is required.

The child's health care provider should record the test dates on page 3 of this form and certify them by signing and stamping the signature section of the form. All forms should be kept on file at the facility with the child's health records.
