Rules:

Games will consist of heats of 3-4 teams, with two minutes allotted per heat. Teams may consist of any combination of players. A group of 4 teams may register ahead of time as a heat, otherwise teams will be randomly placed. Winner of each heat advances and heats continue until one team remains. Trophy will be awarded to winning team and entry fee returned.

How to Play:

First team member will lie face down on moving dolly. Second team member will move the dolly by pushing the first member's legs. A bunch of plastic balls will be placed in the middle of the playing area. The first team member will have a basket and will use it to trap the plastic balls and drag them back to the team's home base. Play will continue until time expires or all balls have been gathered. The team that gathers the most balls will be declared the winner and will play again in a new heat.
