5 Continuing Education Units

Captain Michael King Ph.D., MSW (Region 4) SAMHSA Regional Administrator

Captain Michael King, Ph.D., MSW is a Social Worker and epidemiologist who has served at the intersection of behavioral health and public health for over 15 years.

As a commissioned officer in the U.S. Public Health Service, Captain King deploys routinely following disasters and has had the privilege to lead one of five national Mental Health Response Teams (Team 5) and provide crisis counseling and technological assistance to medically under-served populations, with a focus on emergency public health response.
