### MEMBER NEWS

There was a discussion at the February membership meeting regarding an upgrade to the outdated security camera system. The Board concurs this update is essential to provide better coverage of the Clubs property and assets; also enhancing video resolution technology to protect staff and members. Expanding coverage includes the driveway and hill, boat launch, pavilion, the club house and parking lot areas. These improvements will not exceed \$8000. This was voted on at the March 2<sup>nd</sup> Membership meeting and passed. And has been installed!
