

LOS ALAMITOS HIGH SCHOOL TRACK & FIELD

www.losaltrack.com

Dear Families, Friends, Neighbors & Community Leaders,

On behalf of the Los Alamitos High School Track & Field Team, we would like to request your assistance with securing sponsorships, contributions and donations. With your support you will be helping the LAHS Track & Field program maintain the all-weather track, purchase new training and competition equipment, provide team uniforms, and off-set 'away-meet' transportation costs and meet entry fees.

We welcome all types of contributions: team sponsorships, monetary donations, gift-in-kind donations, and silent auction items or gift cards for our annual *Team Banquet*. Your donation may be tax-deductible; please consult your tax advisor. Additionally, all \$500+ donors will be recognized on our team website and in the annual team banquet memory book.

Los Alamitos High School Track & Field Boosters is a 501(c)3 federally certified, non-profit organization. Federal Tax ID # 42-1641880

On behalf of our coaches, families, and especially our student-athletes, thank you for your support!

Go Griffins!
