

36th Annual Wolf Creek Car, Truck & Bike Show- October 17-18, 2020

One of the largest annual fund raisers for our Local Chamber, Coldspring Chamber of Commerce located on Butler Street in Coldspring. This car show is held at Wolf Creek Park on Hwy 224 each year. The Trinity River Authority owns this park and is the biggest supporter of the car show while their staff works very hard to get the park ready for the show and work on the 2 day weekend of the show.

The Show is for the people that enter their cars, trucks and bikes in the show. They are the STARS of this 2 day weekend show. We want them to feel welcome and appreciated for attending our car show in Coldspring, TX. Many of them come from out of state or across Texas with their prize vehicles in hope to win and have an enjoyable weekend.

Our car show committee works all year long to pull together sponsors that give money in order to purchase trophy's, t-shirts, door prizes, dash plaques, organize games for entertaining, hire judges for the awards, banners, marketing and many miscellaneous supplies.

We thank you for your consideration of our event and your generous donation.
