63rd Annual Alpha Omega

MARDI GRAS 2020

SATURDAY, FEBRUARY 1, 2020

BETHESDA NORTH MARRIOTT
NORTH BETHESDA, MD

Mardi Gras

The celebration of Mardi Gras is a tradition among many of the Chapters of Omega Psi Phi Fraternity Incorporated. Alpha Omega Chapter presents its 63rd Annual Mardi Gras Ball with great pride and appreciation for the entertainment of Omega Brothers and their guest.

Mardi Gras is synonymous with fun, merriment – a last fling before the fasting and penitence of the Lenten Season. Masquerade balls, parades with decorated floats, music and colorful pageants are all a part of the festival of the Carnival Season which ends at midnight on Mardi Gras, the day before Ash Wednesday.

Many of the costumes of Mardi Gras date back to the pagan festivals of Ancient Rome. Masks and costumes were worn at these celebrations. This custom is alive today in Brazil, Italy, Mexico, Spain, Argentina, Germany and Trinidad. In the United States, the largest and most elaborate celebration of the festival of Mardi Gras remains in New Orleans.

It is traditional in New Orleans to begin celebrating the Carnival Season several weeks preceding Mardi Gras with balls and parades which are held almost daily. The parades are most noted for decorated floats, costumes, bands, and favors, “throws” of beads, Doubloons, etc. Random street masking, costumed persons, and dancing help make Mardi Gras in New Orleans a big rollicking party for throngs of happy people.

In recent years the wearing of formal attire to the ball has become common place, but the wearing of a costume is encouraged. This way you really get into the spirit of Mardi Gras and receive the most enjoyment of this festive occasion.

The costume can be fun and does not have to be expensive or elaborate. You may find just the right items from your trips to Africa, Mexico, Hawaii, Spain, Holland or other countries. If you did not wear a costume this year, consider it for next year. Come to Mardi Gras and have fun!!!

Mardi Gras Ball Program

7:00 P.M. – 8:00 P.M.

Cocktail Hour - Ballroom Foyer

Entertainment.....Mardi Gras/Dixie Land Theme Music

7:30 P.M.

Ballroom Doors Open

8:00 P.M.

Dinner is Served

8:30 P.M. – 9:00 P.M.

PROGRAM

February 2020

Greetings Brothers,

Ricky L. Lewis
1st Vice Grand Basileus
rickylewis@earthlink.net

I want to first and foremost thank you for entrusting and electing me as your 35th First Vice Grand Basileus of our beloved Fraternity. The mantra of men of strong will and Manhood, Scholarship, Perseverance and Uplift continue to define us and serve as our guideposts as we uphold the precepts of our founders!

Congratulations to the brothers and legacy of Alpha Omega Chapter and the 63rd Annual Mardi Gras Dinner and Ball. We thank you for your continued commitment to the tenants of our beloved Founders. You're mentoring and tutoring of young men and the thousands of dollars in scholarships to deserving high school students in the District of Columbia are exemplary.

When I sought to become your 35th First Vice Grand Basileus, I said to you that “**Excellence Was My Starting Point.**” I said that I would assist our 41st Grand Basileus become the most successful and productive Grand Basileus in the history of our Fraternity. We are keeping that commitment.

In our communities world-wide, we have our mandated programs and we have our recently added programs. We actively do these things – Fatherhood and Mentoring, searching for and Illuminating Young talent and providing scholarship support – and we do these things not for ego or personal gain – but instead because it is our duty and our charge.

During Brother Dr. David Marion, 41st Grand Basileus administration, we are here to serve you and our communities. We are asking you to serve our communities and make a difference;

Number 1. Save Our Sons through mentoring, scholarship offerings and tutoring.

Number 2. Help fathers to be better fathers through our Fatherhood Initiative.

Number 3. Stay engaged with our brotherhood through (BYOMM): Call a brother.

Number 4. Save our HBCUs through regular and consistent contributions.

Number 5. Invest in Omega; pay your fraternity dues and reclaim just one additional brother.

If we resolve to do these five things and do them well, we will continue to see the undeniable fulfillment in our communities.

Yours in Friendship,

Ricky L. Lewis, 35th First Vice Grand Basileus

Greetings Brothers and friends of Alpha Omega Chapter, the largest Chapter within the Omega Psi Phi Fraternity, Incorporated.

On behalf of the Third District Executive Council and the members of the Third District, I extend a heartfelt congratulations on your Sixty-Third Annual Mardi Gras Dinner and Ball.

The great work of committed and tireless members of Alpha Omega Chapter has truly blessed and impacted communities throughout the Washington, D. C. area. It is fitting that your strong legacy of stellar accomplishments continue to honor and progressively expand the vision of our Founders.

The outreach of mentoring through your problem solving initiatives within the Alpha Omega Social Action and Scholarship Foundation (AOSASF) which includes Scholarships, Talent Hunt, Fatherhood and Mentoring, Tutoring, Health Awareness, Homeless, Feeding, Clothing; and participation in many other programs within the community speaks volumes to the your commitment to empower future leaders that are successful at all levels. Again, congratulations.

Brothers we honor your success as part of our global collective impact and humbly ask you to continue in the outstanding path that "Omega" has set forward and I thank you for all that you have done and will continue to do in order to make Omega Psi Phi Fraternity, the Third District, and our communities even greater. Again, congratulations.

Fraternally,
Kevin Brown

Greetings To All:

On behalf of the Brothers of Alpha Omega Chapter of Omega Psi Phi Fraternity, Inc., I thank you for joining us at our 63rd Annual Mardi Gras. Our Chapter began a tradition of Mardi Gras many years ago, and as it has grown, the core elements of fraternity, friendship, fellowship and fun continue to be important elements of our event. In addition, this gala represents the greatest single opportunity to raise funds for our scholarship program.

2020 is the year of Perseverance for Alpha Omega Chapter, and a special part of that Perseverance is to annually grow our Scholarship Awards Program in May. This year we seek to provide \$30,000 in college scholarships to deserving young men from Washington, DC high schools, as they seek to advance their academic achievement at the college level.

As we look forward to our 100th anniversary in 2022, we are laying the groundwork for another successful 100 years in the Washington, DC community. As one of our supporters, you will hear a lot more about our planned celebration and service opportunities leading to our 100th anniversary.

Please consider making a tax-deductible donation to our Foundation, via text or online. You can text **AQGIVE** to **41444**. You can also donate online via our Foundation website at www.aosasf.org/home/donate_now. A special thanks to the Brothers of the Alpha Omega Mardi Gras Committee as well as each of our guests for your continued support.

May GOD Bless you,

Gregory T. Boykin

1971-1972

I greet you in the name of the Supreme Basileus of the Universe from which all blessings flow. Let us all give thanks and praise for how much we have all been blessed.

Mardi Gras represents a long history of perseverance, progress, good times for Brothers and their families, and Friendships revisited. It is the Mardi Gras Committee's goal to preserve this legacy and continue in this tradition.

Mardi Gras, meaning “Fat Tuesday” in French, has its origins in medieval Europe. What became a legal holiday in Louisiana in 1875 was once a Christian holiday with roots in ancient Rome. Instead of outright abolishing certain pagan traditions, like the wild Roman festivals of Saturnalia and Lupercalia, religious leaders decided to incorporate them into the new faith.

What became known as the Carnival season was a kick-off to Lent, a sort of last hurrah before 40 days of penance sandwiched between Ash Wednesday and Easter Sunday. Eventually, the celebration spread from Rome across Europe to the colonies of the New World. Since its early days in New Orleans in the early 18th century, Mardi Gras has grown to colossal proportions and includes several familiar traditions, like bead throwing and mask wearing, that are widely practiced today but whose origins may have been forgotten.

Alpha Omega Chapter is one of the oldest and largest chapters in the Fraternity and was chartered on October 1, 1922. The Alpha Omega Social Action & Scholarship Foundation is the giving arm for Alpha Omega Chapter and was incorporated in 1992 as a non-profit 501[c][3] entity. The foundation is comprised Brotherhood of Men devoted to making a positive impact through the advancement and uplift of humanity in the areas of scholarship and social action. Over the past ten years, we have awarded more than \$200,000 in college scholarships. Without this vital assistance, many of these students would have no other means of debt-free financial assistance.

Now unwind, let your hair down, and enjoy yourself as never before. Please join us in celebrating Alpha Omega Chapter's Sixty-Third Annual Mardi Gras Ball by enjoying the evening's festivities.

Sincerely,

Nathan L. Hunter, Jr.

A. JAMES CLARK SCHOOL OF ENGINEERING

The University of Maryland's A. James Clark School of Engineering is a premier program, ranked among the top 25 in the nation. Our broad spectrum of academic programs, including the world's only accredited undergraduate fire protection engineering program, is complemented by a vibrant entrepreneurial spirit, early hands-on educational experiences, and participation in national and international competitions.

Clark School Majors

- Aerospace Engineering
- Bioengineering
- Chemical and Biomolecular Engineering
- Civil and Environmental Engineering
- Electrical Engineering
- Fire Protection Engineering
- Materials Science and Engineering
- Mechanical Engineering

Engineering Information Sessions

Join current undergraduate students for an engineering presentation and tour of our facilities. We discuss the majors, research projects, and special programs. For more information and to register for a session, visit eng.umd.edu/information-sessions.

Engineering Summer Programs

What are you doing this summer? Why not try one of the summer programs offered by the Clark School? You can learn about engineering, participate in hands-on activities, and meet engineering students and professors. Registration usually becomes available in February. For more information, visit eng.umd.edu/pre-college-summer-programs.

The Center for Minorities in Science and Engineering (CMSE)

The Center for Minorities in Science and Engineering (CMSE) provides academic support services and outreach programs designed to recruit, retain, and graduate African American, Hispanic American, and Native American engineering students. For more information on CMSE's K-12 outreach programs, visit cmse.umd.edu/k12.

The Women in Engineering (WIE) Program

The Women in Engineering (WIE) Program is dedicated to promoting the role of women in the field of engineering. Its focus is on the recruitment of prospective female engineering students and the retention of current undergraduate and graduate female engineering students. For more information on WIE's K-12 outreach programs, visit eng.umd.edu/women/6-12-programs.

Join us for Maryland Day!

The University of Maryland invites you come to College Park and celebrate Maryland Day, a day of learning, fun and discovery. At the 23rd annual edition, you'll find a wide variety of family-friendly events and activities where you can explore our world of fearless ideas. Learn more at marylandday.umd.edu.
