

## **Possible Teacher's Strike Update**

There is no way to predict the results of the ongoing negotiations between the ETFO and the Ontario Government.

Unfortunately, in the event of a teacher's strike where the school classes are cancelled but the building remains open, **we will be unable to keep our Part-Time Nursery School operating** as we will need Room 105 for full-time daycare for the older children. In this situation, your Nursery School fees will be credited back to you.

We will communicate with parents as more information comes available but you are encouraged to consult [www.tdsb.on.ca](http://www.tdsb.on.ca) or media sources as well.
