Dear Captain Taylor:

In the local press I have read that you are the recipient of the Distinguished Flying Cross for "extraordinary achievement in accomplishing fifty combat missions over enemy Europe." As one who back home is attempting to carry on during your absence and that of others who are fighting for our country at this time, I want this expression of appreciation to be added along with others that you are doubtless receiving to tell you of our pride in you and your heroism and of our continued faith in you and in the cause which means so much to all of us.

Sincerely yours

Superintendent of Schools
