Greetings,

Thank you for taking the time to check out our website. You will find all kinds of valuable information on here.

Child welfare is any activity or project that benefits children **ONLY**. There are so many things that we as AMVETS Ladies Auxiliary can do to help the children of our communities. Remember that the children are our future!

Here are some ideas of some Child Welfare projects that you can do.

- John Tracy Center (National Program) for deaf and hard of hearing children.
- Assist underprivileged children with:
  - Dental care
  - Clothing
  - Medical expenses
  - School milk programs
  - School supplies
- Sponsor holiday parties for underprivileged children.
- Contact Local or State Juvenile Courts to learn how the Auxiliary can help children in trouble.
- Sponsor a child providing hers/his personal needs.
- Sponsor Scout troops, baseball, football, soccer, etc.
- Sponsor summer playground activities
- Donate playground equipment
- Sponsor projects in orphanages and children's homes.
- Assist the AMVETS in its AADDAA Program for kindergarten through 12<sup>th</sup> grade by addressing substance abuse in schools. Assist with the AADAA poster contest,
