### COSTUME FITTINGS!

It is VERY IMPORTANT all students come to classes and rehearsals!  
Our Wardrobe Mistress will be holding fittings throughout the rest of the year! We need your child present to ensure her best costume fit.

---

### STUDIO SPACES

As we move into Recital Season please be aware that the studio will become more and more crowded. Please help your student to both get ready for class and gather their belongings after class quickly so everyone has space in the dressing room.

Also, the reception desk and the area behind are a restricted space for staff and teachers only. No one else should be in this space without prior permission.

---

### BLUE ENVELOPES

Please return your blue envelopes as soon as possible. Communication about Recital Information will be sent out soon!
