

THE ISLAMIC CRUSADES

HOW THE NEW WORLD ORDER SYSTEMATICALLY DESTROYS A NATION

And is eradicating Christianity from the Middle East

The purpose of this illustration is to highlight the events and concerns of the current Civil War in Syria. It will be from a different perspective that is currently being portrayed by the main-stream Western media that is intentionally misleading the US people and especially the Christian community in many aspects of the Muslim uprisings. It appears that the Satanic Globalists that are behind the political, economic, social world scenes, yet again are 1) bringing down this nation before the world. 2) Their political cadre unleashed by the Muslim uprisings have been nothing more than an Islamic-Jihadist struggle with an underlying aim to eradicate Christianity from the entire Middle East. 3) The Western and al-Jazeera media outlets have filtered out the travesties perpetrated by the Jihadist against the minority ethnic Christian communities—like in the other Muslim nations of Iraq, Afghanistan, Tunisia, Libya, Egypt & now Syria.

If the Arab uprisings have been the cause to sweep in 'democracy' to replace the old corrupt 'Guard' in the Middle East, it has spelled doom and genocide to come, for non-Muslim ethnic and religious groups, mainly the Christians. As the Satanic Globalist used the 'Crusades' in the name of Christ to sweep over the Middle East and Jerusalem then in the 'Dark Ages', they are now once again using this same End-Game plan —of an 'Islamic Crusade' to consolidate control of the region and to destroy God's People, in the process. This is being done now by mustering up the hateful religious zeal of the Islamic religion against Jews and Christians to massacre and slaughter them on a national scale, once the Rapture takes place, before this coming 'Dark Age' is initiated during the Tribulation as described in the Book of Revelation.

Many Christians in the West, especially in the USA are not really aware of the plight of their fellow Brethren – by design. The Western controlled media controlled by the Luciferian Globalist have done a superb job in masquerading the evil underlying intent of their plans. The media has only portrayed 'Rebels' as democracy-loving freedom fighters. The main-stream media has done a wonderful job of putting the wool over the eyes of the American public too busy being entertained to notice that tax-payer money is directly being given to these murderous Islamic mercenaries whose religious duty – and quest is to decimate the Christian Witness in the Middle East under the guise of 'democracy'.

It is reported that at some Rebel Free Syrian leaders are publicly stating that Christians will have to be cleansed from rebel-held territory and will have no place in the new Islamic Syria. There are few places in the Middle East left where Christians can go. In other reports coming out from Human Rights Groups, they report that the Free Syrian Army are actually keeping some Christians from fleeing because they want to use them as bargaining chips with the West.

There have been eye-witness accounts from fleeing Christian refugees that the 'freedom fighter' of the 'Free Syrian Army' are announcing publicly that Christians are to vacate rebel controlled territory. The ultimatum is Mohammed's only choice for the infidels, 1) submit to islam or 2) be beheaded.

ENTITIES SUPPORTING 'FREE SYRIAN ARMY'
Arabia and Turkey are funneling arms and money to the Rebels that consist of Muslim extremist Anti-Christian jihadists. They see this as a Holy War against Infidels, whom Assad, as a Alawi is considered heretical.
-al-Qaida
-Muslim Brotherhood
-Hamas
-Arab League

ENTITIES SUPPORTING 'FREE SYRIAN ARMY'
Globalist entities form outside of Syria are also funneling weapons to the Free Syrian Army (FSA). Various intelligence secret agencies have funneled Jihadist Muslim mercenaries from Libya, Jordan, Iraq and Egypt in an attempt to topple the Syrian government. What has been done to Libya is what is going to happen to Syria at some point in time.

ENTITIES SUPPORTING ASSAD GOVERNMENT
Despite a counter balance to the Western-led coalition of support of Rebels against Assad, Russia, China and Iran remain at bay. Syria is Russia's number 1 buyer of weapons systems. Syria also has a military pact with Hezbollah and Iran. Iran and Russia both have Naval Military bases on the Mediterranean coast of Syria.
-Russian Federation
-People's Republic of China
-Islamic (Shi'ite) Republic of Iran

THE OBAMA DOCTRINE

To America's and Obama's shame, the US joined the EU and NATO to support and fight along side al-Qaida in Libya against Kaddafi to topple his government. So too now in Syria, the USA, NATO, the CIA, MOSSAD & MI6 have been arming and/or transporting al-Qaida fighters and Jihadist mercenaries to Syria.

This current 'Muslim Renaissance' is nothing more than a globalist attempt bent on a 'crusade' to slaughter, eradicate the non-Muslim minorities in an ethnic cleansing of most Christians, ironically supported by the Western 'christian' West.

This sweeping of so called 'democracy' movement that has been supported by Obama has only been used much like Hitler used democracy to gain power and then destroy it.
