*Leave a Message Siouxland is a local awareness campaign to educate the public about  
the impact of planned giving.*

# Leave A Message Siouland

## It's Easier Than You Think

It's easy. A simple directive in your will can bring welcome support to an organization that will make a difference in many lives. Even a small amount can make a big difference.

Consider what just 1% of your assets could accomplish for a charity close to your heart.

**The impact of the message you send today can continue forever.**

Your gift will help improve our community for your children, grandchildren and entire community for decades to come.

*Thank you for all that you do to positively impact our community!*
