Senoia Area Historical Society is pleased to share Senoia history once again on Thursday, July 13th.

Come learn the fascinating evolution of 1 Main Street and the Nolan family who planted their roots, created the family business, and built the home of the Senoia Enterprise Gazette during a time spanning the mid-1840s ~ mid-1950s.

The original wood building was replaced with the present 1 Main Street building in 1927 and is now the home of Senoia Coffee & Café.
