We'll include most of these recaps here, therefore you don't have to waste time reading about them in my game-by-game write-ups for the upcoming week. East Tennessee St +920 won 23-3 at Vanderbilt (+21)  
Northern Illinois +710 won 22-21 at Georgia Tech (+19)  
Utah St +605 won 26-23 at Washington St (+17)

Georgia's defense sacked Clemson QB DJ Uiagalelei seven times in their 10-3 upset win over the No. 2 Tigers. The Bulldogs' "Pick 6" of DJ in the first half was the only TD of the game.

### ATS Notables

#### Biggest Cover Margins:

East Tennessee St +41 ATS points at Vanderbilt in a 23-3 upset win (+21)  
Marshall +39 ATS points at Navy in a 49-7 win (-3)  
Army +35.5 ATS points at Georgia St in a 43-10 upset win (+2.5)  
Rutgers +33 ATS points vs Temple in a 61-14 win (-14)  
The Georgia/Clemson game went UNDER the total by 38.5 points!  
The North Carolina/Virginia Tech game went UNDER the total by 36.5 points!

If you have blindly bet the UNDER in every college football game so far this season (involving an FBS team): Congrats, you are 57-31-1 (65%)!

UCLA is 2-0 ATS this year +14.3 ppg. The rest of the Pac-12 is 2-9 ATS -9.4 ppg.

### Misleading Finals

UCF beat Boise St 36-31 and failed to cover as 6-point favorites. However, UCF had a dominant 573-312 yard edge including 258-49 on the ground. An early 100-yard "Pick 6" TD for Boise St was the dreaded 14-point swing.

**Charlotte** (+6.5) upset Duke 31-28. However, the Blue Devils had a 580-478 yard edge and a 7.9-6.8 yards per play edge. Charlotte benefitted from a +2 TO margin.

**Wisconsin** ran 95 plays and scored just 10 points vs Penn St thanks to several miscues in the red zone.

**Iowa** blew out Indiana 34-6. While the right team won and covered, it should be noted the Hawkeyes benefitted from not one, but TWO "Pick 6's" in the first half.

### Bad Beats

**Our thoughts and prayers go out to those of you who bet the UNDER in the Eastern Washington/UNLV game.** The total was 66 and at halftime, UNLV only led 6-3. At the end of regulation with the score tied at 20, Eastern Washington set up for a chip-shot field goal in the middle of the field on the final play. However, for the 3rd time that night, the EW kicker missed and the game went to OT. After both teams scored TD's in the first OT, the second OT also saw both teams score TD's. EW made their 2-point conversion and while UNLV missed their conversion, the final TD put the game OVER the total in Eastern Washington's 35-33 win.

**Rice** (+19.5) backers suffered a very bad beat last Saturday. The Owls actually led the game outright 17-7 in the third quarter. However, Arkansas scored the final 31 points of the game capped off by a TD with under a minute left. Yikes!

**Kent St** (+29.5) backers suffered a tough loss. The Golden Flashes only trailed 10-3 at halftime. Texas A&M did dominate the second half and led 41-10 late. However, Kent St's kicker would miss not one but two chip-shot FG's in the final 5 minutes that would have given Kent St the back-door.

**Kentucky** (-31) scored a TD with a minute to get the cover and also put the game OVER the total of 54 in a 45-10 win over ULM.

Washington St Jarrett Guarantano (knee) has been downgraded to doubtful vs Portland St. Jayden De Laura has been named the starter.

Connecticut head coach Randy Edsall isn't waiting until the end of the season to retire. He'll step down immediately. Defensive coordinator Lou Spanos will serve as interim head coach for the remainder of the season.

Georgia head coach Kirby Smart said three or four of his players are sidelined with COVID-19. Smart declined to identify the players during a teleconference with reporters on Monday. It is unknown whether they will be available to play against the Blazers on Saturday. "I'll be honest with you, I'm as concerned as I've ever been, because we have three or four guys out with COVID and we have a couple staff members that have been out with COVID here recently."

### Recapping Week 1 Best Bets

It was a very disappointing 2-3 week for our Best Bets. On Thursday, we lost the UNDER in the Ohio St/Minnesota game thanks to SIX big play TD's in the second half that saw a 14-10 halftime score go way over. The Rutgers/Temple game on Thursday was pushed back to Saturday. Most of you probably had cancelled bets and had to re-bet the game. The Scarlet Knights would dominate winning 61-14. On Saturday, Texas St got a TD in the final 1:19 for the back-door against our Baylor recommendation. The Alabama/Miami UNDER did cash while Stanford never had a shot vs Kansas St in a 24-7 loss.

## THE POWERS' PACK

### Games in Rotation Order

**Friday, September 10th**

**COASTAL CAROLINA 38 Kansas 14.** What a difference a year makes as last year on these pages we took Coastal Carolina "+5.5" at Kansas as they pulled a 38-23 upset win. Now after an historic season, the Chanticleers are laying 25 at home to a "Power 5" opponent! Notice we put the "Power 5" in quotations when talking about Kansas. Coastal is off a 52-14 win and cover over The Citadel while VIP's easily cashed with our top Friday play with South Dakota nearly pulling the outright upset over Kansas as a double-digit dog. The Jayhawks were -0.8 in yards per play but that didn't stop the students from storming the field. We don't see much value here.

**BOISE ST 41 Utep 16.** Believe it or not, UTEP is now 5-5 straight up in their last 10 games. That's coming on the heels of a 2-34 SU run. However, notice who the 5 wins came over...3 FCS foes and two of the worst FBS teams in the country (ULM and New Mexico St). Still, this is an improved UTEP team. On the other side, Boise was extremely fortunate to get a cover vs UCF as a 6-point underdog. That's saying something considering they led 21-0. However, the Broncos were out-gained 573-312 and out-rushed 258-49 but benefitted from a 100-yard "Pick 6" early. The Broncos have been over-priced on the "Smurf Turf" the last 10 years with a 23-36 ATS mark and UTEP's offense (avg 34 ppg) is capable of the back-door.

**Saturday, September 11th**

**VIRGINIA 33 Illinois 24.** After an upset win over Nebraska in Week Zero, the Fighting Illini were upset last week by UTSA 37-30. Backup QB Sitkowski did throw 3 TD passes but struggled with accuracy (22 of 42). There is a chance starting QB Brandon Peters comes back for this one. On the other side, Virginia exceeded expectations with a 43-0 win over William & Mary (-30.5). We did bet Illinois +13 on the Circa openers on Sunday morning (see page 5 and page 7 for all of our opening bets). We still have a lean on Illinois at "+10" even with the line move and like it if Peters returns. He's 2-3-point upgrade in our ratings.

**ARMY 34 Western Kentucky 27.** This is one of the games we can't wait for this weekend. Yes, that's right a WKU vs Army game. Why...you ask? Well, for starters we can't wait to see the new WKU offense vs Army's stingy defense. Last week new WKU QB Bailey Zappe threw 7 TD passes in a 59-21 win over FCS UT-Martin. Meanwhile, Army dominated Georgia St with a 43-10 win as a 2.5-point underdog. We like betting OVERs when you have two very different styles of offenses. Why...it's because the defense can't get a good look in practice. WKU doesn't have the personnel to replicate Army's option while Army doesn't have someone that can duplicate Zappe's throwing. This line seems to be coming down though

**OHIO ST 41 Oregon 27.** Last week we lost on these pages backing the UNDER in the Ohio State/Minnesota game. We were pretty confident when it was only 14-10 at halftime. However, Ohio St's "big play" offense took off in the second half as the Buckeyes had an eye-popping 10.3-5.2 yards per play advantage against a solid Minnesota team. Meanwhile, Oregon struggled big time vs Fresno St as a 18.5-point favorite (stats were even, no fluke!). We just don't trust a Pac-12 team in a big-game and it's not like the conference performed that great last week (see ATS trends on page 7). Especially if the Ducks don't have All-American DE Kayvon Thibodeaux. We do prefer the OVER here and bet the opener on Sunday morning.

**Boston College 44 MASSACHUSETTS 10.** Obviously, Massachusetts is one of the worst teams in the country. However, our ratings say they are the "value" play here. Last week Pitt was laying 37.5 at home to UMass. Now what we feel is a slightly weaker BC team is laying 37.5 on the road. Hold your nose and take the stinky dog. However, if you can't stomach the Minutemen, we also lean with the UNDER.

**Florida 37 SOUTH FLORIDA 13.** It was a very tough start the season for USF in their 45-0 loss at NC State as 20-point underdogs. Meanwhile, Florida beat Florida Atlantic 35-14 in a non-cover (-23.5). The Gators did have a 400-92 rushing yard edge. New QB Emory Jones struggled a bit as backup Anthony Richardson came off the bench and ran for 160 yards. Is a controversy brewing? We lean USF here but really like the UNDER. Florida's defense is improved and they don't have the pass attack as they did a year ago.

**Pittsburgh 31 TENNESSEE 27.** We bet this game on both side and total on Sunday morning. First, we took Pitt in this one (-1.5) as we were not impressed with the Volunteers in their 38-6 win over Bowling Green last Thursday. Tennessee only led 14-6 at halftime. Meanwhile, Pitt easily hammered a similarly ranked (in our power ratings) UMass team 51-7. However, that line has crossed through a key "3" number. What we really like in this match-up is the OVER. Both teams ran a ton of tempo last week with Tennessee running 91 plays and Pitt running 87. More plays = more opportunities for scoring!

### HOME TEAM IN CAPS

**2★ South Carolina 29 EAST CAROLINA 23.** We are not afraid of betting volume especially vs openers. This is yet another game where we took the side and total on Sunday. First, we faded a big line move Sunday morning. South Carolina opened a 3-point underdog but a betting group hammered ECU to a 5-point favorite. That's where we came in and took the Gamecocks. First, it looks like they will get back QB Luke Doty and RB Kevin Harris who both missed the opener. Second, we were impressed with their 46-0 win (-31) over Eastern Illinois in head coach Shane Beamer's debut. There wasn't anything fluky as an underrated SC defense held EIU to 109 total yards. On the other side, ECU was very underwhelming in a 33-19 loss to Appalachian St. The betting market bet them down to a 9-point underdog (opened +13.5) and it should be noted ECU scored the game's final 10 points. The Pirates will be fired up for hosting an SEC team but that is built into this number and then some. We like the Gamecocks and UNDER.

**FLORIDA ATLANTIC 28 Georgia Southern 21.** Another game and another bet for us on Sunday as we laid 4 with FAU who comes in off a cover at Florida. Meanwhile, Georgia Southern nearly lost outright as a 27.5-point favorite vs FCS Gardner Webb as they won 30-25. Starting QB Justin Tomlin will remain out for this game. We are a little bit concerned with a FAU defense that allowed 400 rush yards last week taking on the Georgia Southern option. Now at the current line of 7, we're passing.

**MINNESOTA 37 Miami, Oh 17.** The Gophers played Ohio State really tough last Thursday in a 45-31 loss (we lost the UNDER on these pages). However, we downgraded their team's power rating. Why? Well, they sadly lost one of the most valuable non-QB's in CFB in RB Mohamed Ibrahim for the season due to a leg injury. Ibrahim had 30 carries for 163 yards vs the Buckeyes (in 3Q's) and is one of the highest usage RB's in the country. He will be sorely missed. Meanwhile, Miami was crushed by rival Cincinnati 49-14. We're not involved here.

**2★ UNDER 51.5 OKLAHOMA ST 30 Tulsa 17.** Both teams really struggled in their openers. First, our top VIP play on Thursday night was a play against Tulsa. We took UC Davis +25 (closed +22) and they pulled the outright upset 19-17. It should be noted Tulsa had the yardage edge but were -3 in TO's. Meanwhile, Oklahoma St nearly lost outright to FCS Missouri St as a 33.5-point favorite. QB Spencer Sanders was a late-scratch and it doesn't look like he will play here either. These two faced off last year in a 16-7 Oklahoma St win and we expect another low scoring game here.

**Wyoming 26 NORTHERN ILLINOIS 20.** Wyoming was yet another FBS team that struggled vs an FCS opponent last week. The Cowboys needed a 21-yard pass with :47 left to escape with a win. Meanwhile, Northern Illinois pulled off one of the biggest shockers of last weekend as they beat Georgia Tech 22-21 as a 19-point underdog. Head coach Thomas Hammock went for 2 after a score with just :38 left and got it. It had to feel good for the once-proud program considering they went winless in 2020. The early money has come in on Wyoming here but we lean with the home dog now.

**Rutgers 28 SYRACUSE 25.** We bet Rutgers on the opener here trying to get in front of a line move. We expect the public to like the Scarlet Knights here after their 61-14 destruction of Temple last week. Note Rutgers was +5 in TO's and only had a 365-261 yard edge (certainly not indicative of a 47-point win). Meanwhile, the big money came in against Syracuse last Saturday. However, the Orange pulled the upset over Ohio 29-9 as 2-point underdogs. The Orange only had a 383-346 yard edge. We still lean with Rutgers here but this line seems a little fishy that it hasn't gone to 3 yet.

**VIRGINIA TECH 36 Middle Tennessee 18.** We almost faded Virginia Tech last week. Before the game even kicked off, we felt relieved we didn't as the TV broadcast opened up with a jam-packed Lane Stadium rocking out to "Enter Sandman" by Metallica. It was one of the best atmospheres we've seen in recent memory and VT pulled the outright upset 17-10. Meanwhile, Middle Tennessee got a 50-15 win over Monmouth (good FCS team) as a 8.5-point favorite. Note the Blue Raiders were +4 in TO's and were only +63 yards. We want to play against VT after the big win but was hoping for a +21 or more.

**NEW MEXICO 33 New Mexico St 17.** We love New Mexico this year but it seems like the rest of the market does as well. Last week the Lobos were bet up to a 25.5-point favorite vs Houston Baptist (we actually had a -14.5 New Mexico ticket) but NM only won 27-17. They did limit HB to just 187 total yards and (-9) yards rushing. Meanwhile, the Aggies are off to a 0-2 start but looked improved last week as they led San Diego St 10-0 early before allowing the game's final 28 points. They still easily covered as 31.5-point underdogs and we think this line is a little high as well. We lean dog and UNDER.

**3★ OVER 55.5 NOTRE DAME 38 Toledo 22.** This is a bad spot for the Irish on a short week after a dramatic OT win at Florida St on Sunday night. The ND defense was worn out in the second half and allowed FSU to run for 264 yards. However, the offense led by new QB Jack Coan looks improved especially in the pass game as Coan threw for 366 yards and 4 TD's. Meanwhile, Toledo had an easy 49-10 win over FCS Norfolk St. We think the Rockets are the best team in the MAC this season. We like the OVER quite a bit.

**Purdue 48 CONNECTICUT 13.** How can you bet on this UConn program? After not playing at all in 2020, the Huskies lost 45-0 at Fresno St in the opener. Then last week were upset by FCS Holy Cross 38-28. Head coach Randy Edsall on Sunday said he would retire at the end of the season but now he is decided to retire immediately. DC Lou Spanos will be the interim but he had a viral video from Saturday's game where the players weren't paying attention to him at all. UConn is now just 37-73-1 ATS the last 10-plus years! Meanwhile, Purdue comes in off a solid win over Oregon St 30-21. It was a performance head coach Jeff Brohm needed. Purdue does have Notre Dame on deck but they can name the score here.

**Air Force 21 NAVY 16.** One of our favorite trends to bet on each year is betting service academy games UNDER. The UNDER is on a 38-9-1 run and we already recommended it to VIP clients on Sunday when it was 44.5. Now that it's down to 40.5, it is only a lean. We also lean with Navy here despite their pathetic performance vs Marshall. Air Force wasn't overwhelming last week in a non-cover vs Lafayette. However, they did have a 370-43 rushing yard edge. **PENN ST 38 Ball St 17.** This is a huge sandwich game for Penn St. The Nittany Lions come in off an upset win over Wisconsin 16-10. In that game, they were out-gained 359-297 but were +3 in TO's. Next week they host Auburn in a "White Out". We would be all set in recommending Ball St here but the Cardinals weren't impressive in a 31-21 non-covering win vs FCS Western Illinois. In fact, Ball St was out-gained 437-404. Lean Cardinals.

**Temple 30 AKRON 23.** We faded Temple on these pages last week and they lost 61-14 to Rutgers! However, we turned around and bet them on the Sunday morning openers in this game. Why? Well, the Owls were -5 in TO's and the box score wasn't nearly as bad as the final. The same can't be said for Akron as they were even with Auburn in the TO department but were out-gained 613-188 in a 60-10 loss. The only problem here is Temple QB D'Wan Mathis is out for this one and Justin Lynch is expected to start. We don't think it's a huge downgrade though as the two combined to go 8 of 27 last week and at least Lynch ran for 39 yards. The number was Temple -3 on Sunday, now it's -7. We pass at the current number.

**GEORGIA 34 Uab 10.** This could be a huge letdown spot for Georgia after their big win over Clemson last weekend. The Georgia defense was an impressive as any unit in CFB as they sacked Clemson QB DJ Uiagalelei 7 times and the Bulldogs had a 121-2 rushing yard edge. Still, the UGA offense left a lot to be desired and there are COVID concerns (see page 1). Meanwhile, UAB was mighty impressive in a 31-0 shutout win over a good FCS team in Jacksonville St. We bet UAB +29 on the opener The only thing preventing us from a UAB play is their 0-4 ATS record vs Power 5 teams the last 4 years. We also liked the UNDER but that's moved a TD from the opener as well.

**TCU 29 California 20.** This is one where our numbers actually surprised us. We thought TCU would be anywhere from a 7-9 point favorite here. There is still some uncertainty about the Horned Frogs who only played a FCS opponent last week. TCU won 45-3 as a 42-point favorite so they met expectations. Meanwhile, Cal disappointed in a 22-17 loss at home to Nevada. Remember our numbers really liked Cal in that game. However, our pure power rating on this game had TCU close to a 14-point favorite and we've seen all the early money come in on them. We will stick with our gut and take the defensive-minded Bears as a double-digit underdog.

**NEBRASKA 35 Buffalo 21.** Nebraska rebounded after the upset loss to Illinois by hammering FCS Fordham 52-7. Obviously, that game really didn't move the needle for us. Meanwhile, Buffalo did surprise us with a 69-7 beat down of Wagner as they covered by nearly 3 TD's. Our numbers say Nebraska is the slight lean here but Buffalo is still an unknown with an entirely new coaching staff from the spring and half 2-deep had transferred out. Is this the game where that shows?

**IOWA ST 24 Iowa 20.** Obviously, this is the biggest game in the history of the Cyhawk rivalry. Both teams are ranked in the Top 10 and ESPN's *College Gameday* will be there! Last week we thought LSU vs UCLA was the "Pros vs Joes" game of the week. That saw the Pros win with the Bruins. We feel this one is the "Pros vs Joes" game this week. It may surprise you but we feel Iowa is the trendy public underdog. Why? The Hawkeyes smashed a ranked Indiana team last week 34-6. While Iowa deserved to win and cover, it should be noted that they benefitted from not one, but TWO "Pick 6's". Now they take on an Iowa St team that everyone is throwing in the trash after they nearly lost as a huge favorite to Northern Iowa last week. We weren't that shocked as Northern Iowa +35 ended up being our biggest bet of the week (out of 107 bets!). Remember, that line wasn't available until Friday afternoon, otherwise it would have been on these pages last week. We get that Iowa has won 5 straight in the series and Iowa St hasn't won this game by margin in 15 years. But this line just seems fishy especially with the early money on the Cyclones. As for us, we're sitting on the sidelines but if you absolutely had to get involved, we'd lean UNDER.

† **Texas A&M 34 Colorado 18.** Played at Mile High Stadium in Denver, CO. Neither team overwhelmed us in the opener. Texas A&M only led Kent St 10-3 at halftime before they got it going in the second half of a 41-10 win. See page one though for "Bad Beats" as Kent St should've covered. New QB Haynes King did throw 3 INT's. Meanwhile, Colorado failed to cover in a 35-7 win over FCS Northern Colorado. We think the current line is fair but if we got "+17.5" we'd lean with Colorado.

**South Alabama 31 BOWLING GREEN 17.** South Alabama took a lot of money in the market place last week and the Jags won 31-7 over Southern Miss as 2-point favorites. However, note USA was +3 in TO's and only managed 31

yards rushing. Meanwhile, we feel Bowling Green is a bottom 5 team nationally and it's been a miserable last 5 years. However, the Falcons did show some signs of life last week in Knoxville as they only trailed Tennessee 14-6 at half-time. Still, the "Bee-Gees" lost 38-6 (they did cover) and they got out-rushed 331-32. We circled South Alabama as a team we'd possibly bet this week but this number came higher than we thought. We're passing.

**Houston 31 RICE 24.** Are you guys finally done betting on Dana Holgorsen? We were stunned that Houston was bet to as high as -3 last week vs Texas Tech. We thought their might be some COVID and/or injury issues at Texas Tech that some insiders had. It turns out all that money was wrong as the Cougars got outscored 31-0 in the second half. Nice halftime adjustments Dana! Houston was -3.8 in yards per play. Meanwhile, Rice should have gotten a cover vs Arkansas (see bad beats on page 1). The Owls led 17-7 but let the Razorbacks score the game's final 31 points. The last TD coming with a minute left. There's a big difference allowing the game's final 31 points as a 3-TD underdog as opposed to being the favorite. We wanted to lean with Rice but it looks like y'all are finally fading Holgorsen who should be done at the end of this year (just 7-14 straight up now!).

**MIAMI, FL 34 Appalachian St 21.** We think Appalachian St could be that trendy public underdog this week. The Mountaineers were impressive in their 33-19 win over East Carolina last Thursday. Meanwhile, Miami was crushed by Alabama 44-13 and everyone seems to be throwing them in the trash. However, we didn't think Miami looked all that bad. We just don't think the market properly prices just how great Alabama is. The Tide are historically great and are simply at another level or two than even teams ranked in the Top 15. Miami QB D'Eriq was sacked 4 times but he still completed 23 of 30 passes and looked close to 100%. Miami is taking a big step down in class here. While it's vice versa for App St. Sometimes, we think the market gets too cute with these spreads (see Texas vs Louisiana last week). We bet Miami -6 on the opener and would still take them here at the current number.

**FIU 28 Texas St 25.** Obviously, Texas St was better than we anticipated last week as they beat us on these pages (lost 29-20 to Baylor as 2-TD underdogs). They did get outgained 386-235 and were -2.1 yards per play. That usually indicates a blowout loss. Meanwhile, money came in on FIU last week and they beat FCS Long Island 48-10 (-35). RB D'Vonte Price ran for 165 yards and 3 TD's. We lean with FIU here.

**MISSISSIPPI ST 28 NC State 27.** A lot of money is coming in on NC State here. Just like a lot of money came in against Mississippi St last week. That money proved correct as the Bulldogs found themselves down 34-14 to Louisiana Tech as 20.5-point favorites. Kudos for Mississippi St in rallying for a 35-34 win and it should be noted they were -2 in TO's. Meanwhile, NC State was dominant in a 45-0 shutout of USF. Considering how bad the ACC looked vs SEC competition last week (Miami vs Bama, Clemson vs Georgia, Louisville vs Ole Miss), we're not sure we want to lay points on the road with the Wolf Pack here. We lean with Miss St.

**WISCONSIN 40 Eastern Michigan 12.** We think Wisconsin is due for a bounce-back performance here and we did lay -24 with them on the openers. The Badgers should have won that game last week vs Penn St as they were done in by a -3 TO margin. It is concerning that QB Graham Mertz continues to struggle as his last 6 starts have resulted in a 2-7 TD-to-INT ratio. On the other side, Eastern Michigan failed to cover as a big favorite in a 35-15 win over FCS St. Francis. They are now in their preferred away underdog role here as the Eagles are on a 19-3 ATS run as road dogs. That trend makes this a lean on Wisconsin only.

**SMU 47 North Texas 27.** Both teams enter 1-0 straight up and ATS off blow-out wins over FCS opponents last week. North Texas beat Northwestern St 44-14 (-20) as RB DeAndre Torrey ran for 244 yards and 3 TD's. Meanwhile SMU beat Abilene Christian 56-0 (-33) as QB Tanner Mordecai threw 7 TD passes in his debut! We do like the Ponies this year (took them OVER their season win total) but we don't trust them laying more than 3 TD's here vs the NT offense.

**2★ Liberty 34 TROY 26.** A really intriguing Group of 5 game here and we're going to learn a lot about both teams. Both are coming off blowout wins and covers vs FCS opponents last week. Liberty beat Campbell 48-7 (-35) while Troy beat Southern 55-3 (-25). Obviously, Troy exceeded expectations more. However, you don't make money fading Liberty head coach Hugh Freeze who is 65-35-1 ATS in all games in his coaching career and the Flames have covered 9 straight games dating back to last year. Make it 10.

**MEMPHIS 35 Arkansas St 26.** Our first best bet in 2020 was on this game as we took Arkansas St (+19) and they covered. This year we bet Memphis on the openers at -4 and still like the Tigers. Like the previous two games, both teams come in off blowout wins and covers vs FCS opponents. Memphis (-22.5) beat Nicholls St 42-17 as the Tigers had a 587-299 yard edge. Seth Henigan got the start at QB as Grant Gunnell will remain out. Meanwhile, Arkansas St (-13.5) beat Central Arkansas 40-21 in Butch Jones debut. Both James Blackman and Layne Hatcher split QB reps and it looks like that will be the case here.

**Texas 31 ARKANSAS 24.** Two former SWC rivals meet up here. Both teams won and covered in their openers by similar scores but Texas was far more impressive and beat a better opponent. Texas out-rushed Louisiana 170-76 and QB's Hudson Card/Casey Thompson combined for 18 of 26 for 265 yards and 3 TD's. The Horns played clean football for the most part in head coach Steve Sarkisian's debut. Meanwhile, Arkansas trailed Rice 17-7 in the 3Q as near 3-TD favorites. Amazingly, the Hogs got the cover (see page 1) as they scored the game's final 31 points. This is the biggest home game for Arkansas in several years and while they will be fired up, we like what we saw from Texas.

**KENTUCKY 30 Missouri 27.** We expect to see a much different game than last year, a 20-10 Missouri win where Kentucky's offense was held to 145 yards. The Wildcats have a new offense this season under new OC Liam Coen (from the L.A. Rams). They also have a new QB in Penn St transfer Will Levis. Last week, they had some success with 554 yards and 45 points in a win over ULM. Meanwhile, Missouri was out-gained by Central Michigan despite a 10-point win. A sharp betting group hit the OVER on this game in the last 24 hours but we still lean that way along with Missouri.

**NORTH CAROLINA 45 Georgia St 17.** Both teams had lackluster openers. Georgia St lost 43-10 at home to Army as a 2.5-point favorite! The offense despite 11 returning starters only managed 177 total yards. Meanwhile, NC was never in sync offensively in a 17-10 upset loss at Virginia Tech. QB Sam Howell was sacked 6 times and threw 3 INT's. It is very likely his Heisman campaign ended in Week 1, which is shocking to say the least. The Tar Heel offense will get back in gear here as the Panthers defense is a big downgrade. We lean with the favorite and the UNDER.

**MICHIGAN 27 Washington 20.** We fully expect to see a better Washington team this week after their shocking loss to Montana last week as 22.5-point favorites. The problem is we're not sure if it will matter because there a lot of fluke surrounding that loss. Sure, the Huskies were -5 in TO's but they still got beat at the line of scrimmage as Montana had a 127-65 rushing edge. On top of it, we're not big fans of anything they do offensively. The QB is 6-foot at best and has a questionable arm, the OC's schemes are very out-dated and there are no play-makers on the outside (best weapon is TE Cade Otton). Meanwhile, Michigan does have play-makers including Blake Corum and AJ Henning. The problem for the Wolverines is they possibly lost their best guy in WR Ronnie Bell for the season. We lean UNDER.

**COLORADO ST 28 Vanderbilt 21.** There's not many teams that feel worse coming into Week 2 than these two teams. Colorado St lost by 19 to FCS South Dakota St while Vanderbilt lost by 20 to FCS East Tennessee St. The difference...South Dakota St is arguably the best FCS team in the country this year (at least Top 5) while ETSU is an average at best FCS team. Both teams were better than what the finals indicated as Colorado St was -2 in TO's while Vandy was -3. Early money has been all over Colorado St here and we're a part of it (we bet Colorado St -1). However, we can't recommend laying 7 now.

**ARIZONA 24 San Diego St 23.** We came away impressed with Arizona in the opener as the Wildcats had a 426-368 yard edge as near 2-TD underdogs. The same can't be said for a San Diego St that trailed lowly New Mexico St 10-0 before scoring the game's final 28 points in a non-covering win (were -31.5). The Aztecs were actually out-gained in total yards as their pass offense remains questionable. They did have a 248-48 rushing yard edge. The atmosphere should be rocking in Arizona new head coach Jedd Fisch's debut as the Wildcats will try to end a school-record 13-game losing streak. As of now, we're not involved.

**Utah 28 BYU 21.** Amazingly Utah has won 9 straight in the Holy War (6-3 ATS) but 7 of those wins have come by 8 points or less so it is tough laying margin here. Despite a non-cover against Weber St in the opener, we were impressed with what we saw out of the Utes. Meanwhile, the same can't be said for BYU who despite a win over Arizona, the Cougars were outgained 426-368. We look for the more experienced and more talented Utes to make it 10 in a row but we don't want to lay more than a TD.

**ARIZONA ST 45 UNLV 10.** Last week one of our biggest bets came against UNLV as a local shop in town posted a very bad line on the game. We bet Eastern Washington +8.5, +7.5, +7 and +4.5 and EW actually closed as a favorite in the game. Even though EW won in 2OT 35-33, the game should have ended in regulation as EW missed 3 FG's and had 3 TO's. They were legitimately the better team. However, when UNLV made the QB switch to Doug Brumfield, the Rebels offense took off and he should get a majority of the snaps moving forward (provided he is healthy). On the other side, we weren't overwhelmed with Arizona St's 41-14 win over Southern Utah as 44.5-point favorites. Head coach Herm Edwards is not the guy to lay a big number with but our numbers are calling for it here.

**USC 34 Stanford 18.** In the summer, this line had USC favored -10 and at that point we thought there was value on the Trojans (see our CFB preview). After one week of play, we are happy with that bet. USC looked good in a 30-7 win over San Jose St while Stanford was pathetic in a 24-7 loss to Kansas St that cost us on these pages. With that being said, 17 points is one of the biggest underdog roles for Stanford in more than a decade. We don't trust Clay Helton in a big favorite role so if there is a "+17.5" out there, we would lean with the Cardinal.

**OREGON ST 38 Hawaii 26.** We haven't been impressed with Hawaii so far this season as the Rainbow Warriors are 0-2 ATS and have failed to cover both games by double-digits. Meanwhile, the Beavers fought hard last week at Purdue but a late TD gave the Boilers the win and cover 30-21. The Beavers need a feel good win. They've been a double-digit favorite only twice under head coach Smith and have easily covered in both. We lean with them here but we were hoping to lay 10.

## Week 2 Computer Projected Lines for Every CFB Game

For the past five seasons we have posted computer projected lines for every game. **Games where there was of difference of more than 3 points saw our computer lines actually beat the Vegas line at a 373-302-12 (55%) including and outstanding 71-50 (59%) last year! This year has gotten off to a slow start at 5-6.** That's still pretty solid and actually better than our own handicapping in some seasons. Keep in mind, these computer lines don't take into consideration off-the-field factors like revenge or flat spots. They are basically a power-rating number difference between the two teams that also takes into consideration the home field advantage.

Of the 6 games where our computer is off more than 3 points compared to the Vegas line (highlighted), our favorite team this week to back would be **Missouri +5**.

The Comp column is the computer projected line and the Diff column is the difference between the Vegas line and the Computer line. "+" numbers in the difference column say back the underdog. "-" numbers in the difference column say back the favorite. Let us know if you have questions.

## Week 2 CFB ATS Trends

1. If you have blindly bet the UNDER in every college football game so far this season (involving an FBS team): Congrats, you are 57-31-1 (65%)! There's some reasoning behind it. Teams are super experienced this year due to the Covid rule from last year. The cohesion of team's defenses is as good as ever and we think the quality of play will be at an all-time high. Obviously, the quality of play of the NFL is far greater than CFB but it's also a much lower scoring league.

2. UCLA is 2-0 ATS this year at +14.3 ppg. The rest of the Pac-12 is just 2-9 ATS -9.4 ppg. UCLA is off this weekend while Pac-12 teams Oregon and Washington play in two marquee games at Ohio St and at Michigan.

3. UConn is just 37-73-1 ATS the last 10-plus years and are 33.5-point underdogs at home this week to Purdue.

4. The UNDER is on a 38-9-1 run in Service Academy games. This week's total between Air Force and Navy is 40.5.

5. Eastern Michigan is on a 19-3 ATS run as a road underdog. The Eagles are 26-point underdogs this week at Wisconsin.

## Betting CFB Openers

Every Sunday in Vegas at 11am PT, Circa Sports is the first book in the world to release CFB lines and we bet them every week. We think it's the best value bets we make all week. Last season was the first season where we tracked every single bet we made and posted them in the weekly newsletters. We were very pleased with our 119-76-3 (61%) record on these Sunday bets with an average line value of 2.6 ppg! Last week we were super aggressive and made 107 bets on Week 1 games. We were pleased with a 70-37 record with the break-down below including our CLV (closing line value).

### Betting CFB Openers Week 1 Results:

**Games in Rotation Order**  
**Thursday, September 9th**

**HOME TEAM IN CAPS**

**TAMPA BAY 30 Dallas 20.** This almost seems too easy. How do you not bet the Bucs here? Their offense didn't get rolling until the end of last season for obvious reasons (COVID, new QB, new pieces) and then they become the first team in the Free Agency era to return all 22 starters. They're the defending Super Bowl champs who usually do well on these opening Thursdays and will be in front of a full-capacity crowd for the first time with QB Brady under center. Dallas returns QB Prescott off injury but will he be 100%? We know All-pro guard Martin won't be in the line-up. Lean Bucs, but we'd prefer to tease the Bucs down to -2.

**Sunday, September 12th**

**BUFFALO 27 Pittsburgh 21.** It's not often you see Pittsburgh as such a big underdog especially against non-New England teams. It does feel like two franchises heading in opposite directions with correlation to how old their starting QB's are (Big Ben is 39!). Pittsburgh after a 11-0 start, faded down the stretch while Buffalo won a couple of playoff games and made the AFC Championship for the first time since the early 1990s. We don't see a ton of value here though and we should mention it now that remember these Week 1 NFL lines have been bet into for months now. Besides late-breaking injury or weather news, these lines are really tight. If you absolutely had to get involved, we lean UNDER.

**CAROLINA 26 N.Y. Jets 20.** The big storyline here is new Carolina QB Sam Darnold against his former team. Jets rookie QB Zach Wilson gets his first start and it's also the first game for new head coach Robert Saleh. We're not sold on Wilson who had a breakout season at BYU last year when the Cougars didn't face a single Power 5 opponent. We do think Carolina will be under-valued early after head coach Matt Rhule had to deal with being a first-year coach during COVID last year. On top of it, his teams usually make a big jump in year two (at least they did in college).

**2★ HOUSTON 23 Jacksonville 22.** Do you really want to lay points on the road in Urban Meyer's first game as an NFL head coach and on top of it, rookie QB Trevor Lawrence making his first start? We certainly don't, even though the Texans are breaking in a new coach and QB themselves. However, their replacements David Culley and Tyrod Taylor have vast more NFL experience. Jacksonville is already down 1st-round draft pick RB Etienne for the season. Wrong team favored. We like the Texans here.

**TENNESSEE 29 Arizona 26.** Two teams with playoff aspirations in 2021 after they both finished the season on a downward trend. Big storyline for Tennessee here is the addition of WR Julio Jones but is he still a Top 5 WR in the NFL at his age? Arizona QB Kyler Murray did get better last year but we're not big fans of head coach Kingsbury We lean OVER more than anything.

**2★ WASHINGTON 24 L.A. CHARGERS 21.** Obviously Chargers QB Justin Herbert is coming off arguably the best rookie season for any QB ever. That still wasn't good enough to keep his coach's job safe. This is a tough spot for them with a new coach across the country. Meanwhile, the Football team comes in off a playoff berth and Washington has a really good defense. It looks like they will go with 38-year old Ryan Fitzpatrick at QB who is always a wildcard. A home dog with the better defense and better head coach. Sounds like a play to us.

**ATLANTA 26 Philadelphia 22.** Two franchises that look to be in a downward trend after being perennial playoff teams. Both finished last in their division a year ago and both have new coaches. Biggest difference for us would be the experience edge Atlanta has at QB with Matt Ryan as the Eagles were just 1-4 with Jalen Hurts a year ago. We're not going to be too involved.

**Seattle 26 INDIANAPOLIS 24.** Indy QB Carson Wentz missed most of the preseason so there is a ton of uncertainty on the Indy side along with a banged up offensive line. If, and that's a big if, Wentz stays healthy he will be an upgrade over Philip Rivers who led the Colts to the playoffs last year. Seattle has been the model of consistency with Wilson at QB. Although we're not fond of laying this number on the road in an opener. We're passing.

**Minnesota 26 CINCINNATI 21.** We think the Vikings will be under-valued this year. They were extremely banged up a year ago and brought in a ton of resources on defense via free agency. What will Cincinnati QB Joe Burrow be like after recovering from a knee injury? Minnesota has a massive coaching edge here with Zimmer vs Taylor. We lean with the Vikings.

**San Francisco 27 DETROIT 17.** We fully expect Detroit to be a dumpster fire this year but that's a pretty common expectation in the marketplace. The coaching hire of Dan Campbell could go down as one of the worst in recent memory. The defense was an absolute mess last year and Jared Goff is a downgrade from Stafford at QB. Not to mention the Lions hired Anthony Lynn as OC, arguably one of the worst head coaches (as far as time management goes) in NFL history. We haven't even gotten to the 49ers yet who will be improved after an injury-plagued season. Does Trey Lance see time in mop-up duty?  
**KANSAS CITY 30 Cleveland 24.** A rematch of a divisional playoff game a year ago that saw the Chiefs win but not cover 22-17. KC did lead 19-3 at halftime. Of course, in that game, there was less than 20,000 KC fans in attendance and now there will be 70,000-plus. Cleveland made some improvements on defense this off-season while KC shored up their offensive line. The line feels right to us.

**2★ NEW ENGLAND 24 Miami 18.** The Mac Jones era begins in New England and he faces off against his former Alabama teammate Tua Tagovailoa. The Pats are coming off their first non-playoff season since 2008 (Brady hurt in the opener that year). Belichick and Company spent a ton of money this off-season to overhaul the roster. With all the news surrounding the free agent signings and the Cam Newton vs Mac Jones debate, people forget NE saw several starters opt out of 2020 (as many as anyone). This is our most improved team this year and it starts with a win and cover here.

**Denver 23 N.Y. GIANTS 20.** It will be the Teddy Bridgewater show for the Broncos with the overrated Drew Lock appropriately passed over. Another storyline will be Pat Shurmur returning to the Met Life as Denver OC. Shurmur was the Giants head coach in 2018 and 2019. Meanwhile, the Giants welcome the return of RB Saquon Barkley. But can Daniel "Fumble" Jones hold onto the ball? A lot of people we respect like the Broncos here but we're not going to be involved.

**L.A. RAMS 27 Chicago 19.** Expectations are high in L.A. for the Rams as they will play in front of fans for the first time at Sofi Stadium. They also bring in QB Matthew Stafford from Detroit who is very familiar with playing the Bears over the last decade-plus. Meanwhile, it looks like Andy Dalton will be the starter for Chicago much to the dismay of Bears fans who are already clamoring for rookie Justin Fields. We're not big fans of laying more than a TD in the NFL but we do like the Rams in a teaser here.

**Green Bay 26 NEW ORLEANS 23.** TIAA Bank Field in Jacksonville, FL. Obviously, this game was moved due to Hurricane Ida. This is the first time for the Saints without Drew Brees as their clear No. 1 QB since 2005. They have gone 8-1 SU without him the last two years when he was banged up. On top of that, they won't be playing in front of their boisterous Super Dome crowd. And even with Brees and one of the best homefield advantages, they still are notorious slow starters. On the other side, the Packers are happy to have Aaron Rodgers back under center for likely his final season in Green Bay. Still, there was too much drama for us to recommend laying more than a FG on the road. We pass.

**Monday, September 13th**

**Baltimore 27 LAS VEGAS 24.** We like the Raiders here in their first game playing in front of fans in Las Vegas. Head coach Gruden will play into that emotion and we like the addition of DC Gus Bradley on defense. Yes, the Ravens are clearly the better team but Baltimore is banged up at RB.

**In our opinion, your best 6-point teaser options would be Tampa Bay -2, San Francisco -1.5, L.A. Rams -1.5 and Las Vegas +10.5**
