

# ***The Beaver-Vu Bowl Learn-to-Bowl Camp***

Bowling is one of the few “lifetime” sports that can be enjoyed by everyone regardless of size, weight, strength, or age.

At the ***Beaver-Vu Bowl Learn-to-Bowl Camp***, a certified youth bowling instructor and members from high school/collegiate bowling teams will teach the simple rules of the sport and how to properly deliver the ball down the lane to have the most fun and score your very best. Campers will receive instruction and support while having fun, making friends, and enjoying the latest technology of Brunswick’s Sync scoring system and interactive games. The last day of camp will be the ultimate bowling experience with “Beaver-Vu Lights”, pizza, fun competitions, and prizes! Bowling equipment and daily snacks will be provided. You can learn to bowl and become a better bowler at the ***Beaver-Vu Bowl Learn-to-Bowl Camp!***
