

Outstanding in the field... **ORGANIC NITROGEN 14-0-0** *Ask us about better yields and profits*

N14 from WCS is a 100% water soluble nitrogen product derived from soy protein hydrolysate.

It's plant based and water soluble Nitrogen that can be mixed with other products. and is used in organic and conventional production to provide nitrogen to help plants grow

N14 from WCS benefits are~

- Lower production costs
- Higher yields
- Improve germination rates
- Enhance nutrient uptake
- Increase crop production
- Harvest earlier due to accelerated ripening
- Decreases water usage
- No fish odor
- No tape clog
- No back flush
- No salinity increase
- Doesn't attract pests, rodents, insects or animals

**We're looking for
distributors!**
