

## ABOUT US

Virtual IRSD 2020 is an international forum which will provide the most coveted Interdisciplinary Research platform to address the vital issues pertaining to all areas of Sustainability. The conference will provide a valuable platform for Researchers, Academicians, Managers, Educationists, Environmentalists and Entrepreneurs to congregate and share their findings, ideas, scientific knowledge and new techniques/applications about latest developments in their respective domain for Sustainable Development. IRSD 2020 will be organized by Green ThinkerZ India in association with Centre for Modern Construction, Western Sydney University, Australia.

## OBJECTIVE

5<sup>th</sup> International Conference IRSD-2020 aims to provide an interdisciplinary research platform to the community of global researchers and academicians working in the direction of sustainable technological development. The goal of Virtual IRSD-2020 is to gather the academicians, industrialists, research scholars, students from all over the world to present their innovative ideas in achieving the common goal of sustainable Technology and to nurture a virtual environment conducive to exchange ideas and information. Vision of the IRSD-2020 is to create an ideal atmosphere so as to develop new collaborations with experts, and scientists for sustainable development in every sphere.

## PUBLICATION

All submitted papers will be peer reviewed and the accepted papers will be published in Conference Proceeding having ISBN. Papers will be published as Book Chapters.
