3. Review of 23 May Minutes.
4. Old Business: (1) Lay person Stop the Bleed Kits- Michael has a supply of kits; auto dealership service depts would have more contacts to take kits home after service call than new car sales. (2) SALT card updates to be initiate after number of services identified as to which triage system currently used. (3) Trauma Basics classes to be initiated when final content available. (4) Shock Index best included with ongoing outreach to EMT-B services & FRs to make them feel more like a part of trauma care outcomes.
5. New Business: none.
6. Next meeting – 27 Sep 2019.
7. Adjourned 11:25.
