2 SEA WORLD OF FLORIDA

It's a short drive today to Orlando, Florida to visit Sea World! See giant whales, watch sea lions, otters, penguins and dolphins perform among the many entertaining shows this park has to offer. Dolphin Days is a festive celebration of our natural world starring the ocean's most playful ambassador, the Atlantic Bottlenose Dolphin. Learn more about killer whales, also called Orcas, and other species of whales during a special educational show. O Wondrous Night, hear the greatest story ever told with over 30 carols, life-size puppets and live animals in this signature show that will charm, entertain and delight people from all walks of life. SeaWorld's Christmas Celebration is where holiday memories are made, with festive shopping, delicious food, and stunning live shows inspired by the natural world. We spend the next three nights in Orlando in one of the Disney Resorts.

3 WALT DISNEY WORLD MAGIC KINGDOM OR EPCOT

We visit Walt Disney World's most popular park – The Magic Kingdom with seven enchanting lands to explore full of fun and excitement. The Magic Kingdom is glittering with Christmas Decorations everywhere in the Park. Maybe you prefer to explore Epcot Center instead, the choice is yours. Epcot, the Experimental Prototype Community of Tomorrow, opened in 1982. Epcot consists of two themed areas, Future World and World Showcase. Future World features attractions that focus on energy, communication, the land and our environment, the ocean, imagination, transportation and space exploration. Centered around a beautiful reflec-

tive lagoon is Epcot's World Showcase. Each country features entertainment, dining, and shopping unique to their culture: Mexico, Italy, France, Norway, United States, United Kingdom, China, Japan, Canada, Germany and Morocco.

4 UNIVERSAL STUDIOS

We spend the day at Universal Studios (Florida's #1 Studio) as we go behind the scenes of the movie industry to see the sets and production of the TV and Motion Picture world like E.T., King Kong, Earthquake and much more. There are four different parts to Christmas in The Wizarding World of Harry Potter. A slew of holiday decorations (including individualized decor for each of the wizarding shops) will cover both Hogsmeade and Diagon Alley from end to end; new seasonal food and drink options (which hot Butterbeer will be a part of) will be on hand; festive live entertainment will get you in the spirit, with new yuletide performances by the Frog Choir, Celestina Warbeck and the Banshees, and London's street buskers; and, finally – and most excitedly – a state-of-the-art projection-mapping nighttime show, called The Magic of Christmas at Hogwarts Castle, will transform Hogwarts Castle into a holiday wonderland, bringing “Christmas moments inspired by the Harry Potter series to life.” Guests can also visit Universal Studios to experience Macy's Holiday Parade, presenting floats and balloons direct

5 EPCOT CENTER OR ANIMAL KINGDOM

If you did not go to Epcot Center on day three this is your chance or you may prefer Disney's Animal Kingdom. Visit a world beyond belief—Behold the Magic of Nature with Rare Animals and World-Class Entertainment. Fly on the back of a mountain banshee during an exhilarating, 3D ride above this vast moon, only at Pandora – The World of Avatar. Behold A Land That's Beyond Belief! Walk about through the Valley of Mo'ara and get ready to discover a world like no other! Located within the Valley of Mo'ara, Na'vi River Journey offers explorers an experience that has to be seen—and heard—to be believed! Journey deep into a bioluminescent rainforest in search of the Na'vi Shaman of Songs.
