

Jan., 6, 1pm, Paw Paw Eagles,
Pledge of Allegiance, Treasurers report.

Eric opened with details about the cost of running ABATE of Michigan. How much it takes for the newsletter, and how much we take in. The goals have been changed so the new tri-folds will reflect that. Any ideas about how to increase memberships or raise money is welcome. Business cards are being printed with meeting and contact information for members to hand out. Hopefully this will make it easier for people to know where and when our meetings are and increase memberships.

Pizza-and-Pop is Feb 7. Eric passed out info from Vince about the use of money from the Awareness Fund.

MRF- Bear reported on 2019 being the last year for Rolling Thunder Demonstration Run and other issues such as distracted driving laws, ethanol, and updates on autonomous vehicles.
