

**Attention: All JCEA Members**  
**From: JCEA PAC Committee**  
**Subject: Primary Election for BOE Candidates**

**\*The JCEA PAC created a questionnaire for our BOE Candidates. Below you will find a list of the people (according to the County Clerk's Website) running for the 3 seats that are open. Please note that 2 seats are for full term, and the 3<sup>rd</sup> seat is for the unexpired term for 2 years. Since we were not able to have our forum, we are listing the candidates and their districts. Also, we have included a link that will give you the candidates' questionnaires. Note: Not all candidates returned their questionnaires.**

**\*Please remember that these candidates are elected in the PRIMARY.**

**\*There can be NO MORE than 2 candidates on the BOE from any given district. This includes the already seated members.**

**\*While there will be "in person" voting at this point, you should have received a card to request an absentee ballot. Please ask for one if you do not feel comfortable voting in your polling place due to Covid19.**

**\*Primary Election is June 9, 2020. Please VOTE! Thanks!**
