PAIRS INITIATIVE

The SMBSC is currently following Skate Canada's direction of pair initiative. It's a fun and great way to learn new skills. You have many opportunities to progress and compete. You can continue to compete and train singles at any club/coach of your choosing. If you are interested please let Charleen know as we will be doing tryouts this FALL. We currently have 2 boys looking for partners!

You may skate multiple sessions per day if you wish. Feel free to mix and match sessions as we know this is a different year full of school and life challenges.
