Special Awards and Recognition

Have you won any special awards or were recognized for your shooting sports activities? This is for any actives related to shooting sports not only 4H.

-

The following pages are Data pages for Recording scores from practices and competitions. Use as many pages you need for each disciple you shoot. For example, if you shoot both Recurve and Compound Archery have separate pages for each. Try to keep track of every time you shoot. Having a log of time spent shooting shows your dedication to your sport. Keep track of non 4H shoots and practices that you participate in. JOAD, NRA, local club, USA Shooting, HS Trap or NSSF just to name a few.

An added NOTES column to some record sheets. This column can be used to record changes you made to equipment or changes in how you shot. Or you can use it to record what place you received at the competition.
